Vincent Saldanha, Vice Principal of Arts, Dr Sebastian, Vice Principal for Research and Quality, HoDs, members of teaching and non-teaching staff, TOXA members, Parents, invited guests, benefactors, recipients of various awards, and all the members of Xavier's Parivar. Welcome to the Prize distribution day of 2014-15.

Annual Report:

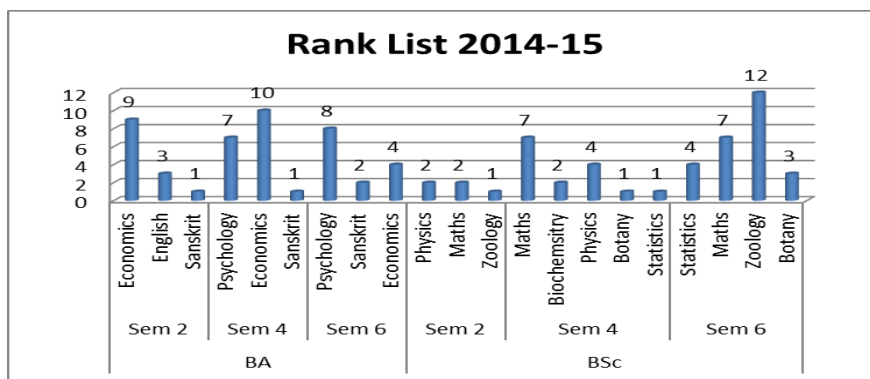

Introduction:

The annual day provides the unique opportunity to look back at the past, assess the academic year, recognize the good that has been achieved, and take note of the failures so as to make course corrections in the future. From a cursory view, we have done exceptionally well in all aspects, curricular, co-curricular and extra-curricular activities. I want to begin this report by thanking God for the many blessings that this institution has received during the course of this year. The biggest achievement of this year has been the Academic Autonomy granted to St. Xavier's College by the UGC through its letter dated June 19, 2014. As an autonomous college, the entire faculty is involved in designing the syllabi in respective departments. All our faculty is involved in 18 different Non-Statutory Committees and some are in Statutory bodies. Dr Nirmal Desai has been appointed as the Controller of Examinations.

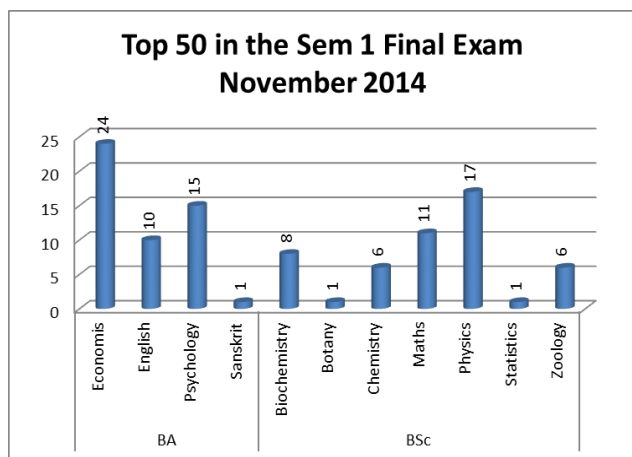

We continue to be among the top 50 colleges in the country, and the first among the colleges in Gujarat. It may be noted that India today rated the Science section in the 31st position and Arts at the 34th position in the whole country. Among the top 50 educational institutions in India, The Week rated SXC at 27th position. However, we cannot afford to remain complacent, and we need to strive, untiringly, for a single digit rating, at national level in both Arts and Science streams.

Academic

A good number of our students have done well in academics, and won medals at the Gujarat University level. In semester 2 BA, a total of 13 students found their

rank among the top 50 rangars at the university. Among them were 9 from economics, 3 from English and 1 from Sanskrit. Similarly in semester 4, there were

7 from Psychology department, 10 from economics and 1 from Sanskrit department, making a total of 18 students among the top 50 rangars at the university. In the semester 6, 14 of our students were among the top 50 rangars at the university: 8 from psychology, 2 from Sanskrit and 4 from economics departments. In semester 2 BSc, 2 from physics, 2 from maths and 1 from zoology found their way into the merit list. In semester 4 BSc, 7

of our students from maths, 2 from biochemistry, 4 from physics, 1 from botany and 1 from statistics department made it to the merit list. In semester 6 BSc, 7 from

maths, 4 from statistics, 12 from zoology, 3 from botany, making a total of 26 among the top 50 students at the university.

Co / extra-curricular activities:

Sports:

This year 182 student took part in different Inter collegiate tournaments and 48 were selected for inter zonal competition and 23 students have gone for All India Inter University and National level. In the athletics Amar Sinha shone her best performance in Triple Jump, Long Jump and 4 into 100 and 4 into 400 relay. Our staff too did well in sports. Prof Artikumar stood first in table tennis and Dr Rajesh Iyer, second in Badminton at the inter college staff tournament.

NCC:

Suman Sandhu was selected for Republic Day parade in Delhi, and she was also selected as the best cadet from Gujarat to represent the directorate in Delhi. Pooja Konar was selected for NIC Camp at Nagaland. This year the week-long

NSS

NSS under the leadership of Prof Ami Shah organised various competitions. Fourteen students took part in various camps of NSS organised elsewhere. NSS organised blood donation camp where 62 students donated blood. The college women development cell also organised capacity building programmes where 114 of our students benefitted.

Jagrat

The SC-ST cell of the college organised various programmes towards capacity building and over 143 students benefitted. Pravin Vasava and Dharmesh Chaudhri represented SXC at the National Workshop.

Campus Ministry

Fr Roland D'Souza and Sr Mary James meticulously planned and organised PGOP

for all the first year students, with the assistance of many faculty and students. The campus ministry continues to offer its services in counselling and in organising value education programmes for our students.

Youth Festival and Culfest

At the Inter-college youth festival, Moushumi Das, Darshini Gokli, Roshni Therian, Merly Christy, Christopher Alexander and Francis stood first in Western Group song; Moushumi Das stood first in Western Solo singing; Jayini Shah stood first in Non-percussion instrumental; Devang Rathod, Arjun Dhar and

Het Trivedi stood first in Quiz; and Samvit Joshi stood second in Mono acting. At the Inter-zonal youth festival, these students maintained their lead, and Moushumi Das represented Gujarat University at the nationals and stood second. Congratulations to all the participants and winners. Immanuel Colaca TY BSc stood first in St. Xavier's Institute of Performing Arts affiliated to Trinity College of Music, London.

Culfest Urja 2015 witnessed a flurry of activities leading to celebration of talent, knowledge and team work. There were 955 entries indicating a participation of about 43.4% of our total number of students in this year's culfest. At the end, the Championship Trophy went to Functional English, while the Runners-Up Trophy went to Psychology department. Thank you Fr Vincent Saldanha and Dr Sudeshna Menon and a committed team for making these events, successful ones.

Handprint Challenge Competitions:

A group of 10 of our students, namely Chintan Panchasara, Vatsal Gamit, Mithil Joshi, Mayur Chavda, Utsav Kotia and Raj Chhatarbar were selected as one among the 5 winners of the Handprint Challenge Competition at the All Asia competition, and one of the two winners from India organised by Waste management and their Economic utilization project, Nepal, SAYEN (South Asia Youth Environment Network) and UNEP (United Nation Environment programme). Congratulations.

Staff:

This year Dr Kantibhai Patel retired after 35 years of his service, and Prof. Jagruti Parmar resigned and joined Vallabh Vidhyanagar University as Deputy Registrar. Artikumar, Vincent Saldanha, Catrinel Dunca, Dr Sebastian, Dr Sudeshna Menon, Dr Devang Pandya and Dr Atul Makwana served as resource persons.

Our students as resource persons:

Students of Third year Voc. Biotechnology have served as resource persons at the workshops conducted by Xplant on Microbiololgy, Plant Tissue culture and Molecular Biology. Mr Ruzbeh Hodiwala visited Paris and England and served as a resource person in training programmes.

Beyond the classrooms:

Seminars, Quiz, Viva, Class tests, assignment, remedial classes etc. were arranged by various professors. Dr Pranav Trivedi and Dr Devang Pandya conducted an Inter College Chemistry Quiz competition to generate more interest in the subject. The department of zoology organised a visit to SUNDERVAN to learn “Snake Identification”, visited SERENITY to learn about reptiles, undertook an educational trip to THE BARODA MUSEUM in order to study the preserved animals, and an educational tour to NARARA to study the marine fauna in its natural habitat.

The final year students of Physics undertook project work and showcased their achievements during the ‘inspire science camp’. The department of Botany organised a Field trip with Botanical experts to Mt Abu, and introduced a series of

interactive sessions on 'Careers in Biology'. Practically all the departments arranged guest lectures by inviting subject experts from prominent educational and research institutions. Gujarati department organised visits to Gujarati Sahitya Parishad & Gandhi Ashram & Gujarat Vidhyapith accompanied by the faculty. The Department of Economics department conducted a one-day Eco-Fest involving a number of colleges in Ahmedabad. The Department of physics organized Adv. B.Sc. course in Physics for outstanding students selected from all over Gujarat in collaboration with PRL, IPR, CSC and Gujarat Science Academy

The department of Biochemistry, have adopted a 'Learn on Your Own' Module in Semester II, wherein students were given subject reading material, and their understanding of the subject was evaluated by a questionnaire on the subject. This has been introduced as an assignment in order to inculcate reading habits among students. In Semester IV and VI, students were given training in writing review on research articles related to topics in the syllabus.

Additional programmes:

This year college offered 4 COP courses namely Counselling, Communicative English, Journalism and Foreign Trade Management. The department of Chemistry, Botany, Biochemistry, Statistics, Sanskrit, Gujarati, Psychology and Economics departments have organised remedial classes for slow learners. Popular lectures were organized by the Department of English, Economics, Gujarati and Chemistry. Seminars were organised by IQAC of SXCA, Mathematics, Economics and Physics departments. Mathematics department has added value to itself by introducing Fr. Valles lecture series.

Students of economics department, Ms. Ruth Cheriyan, Mr. Anshu Verma, Mr. Shubhang Parekh, Ms. Diksha Agarwal, Ms. Niyati and Ms. Snighdha participated in "Altius 2014" held in Christ University, Bangalore. Mr. Hard Patel, Ms. Vrinda Dave, Mr. Sidhraj Maisurya, Mr. Utkarsh Dave, Ms. Jency Johny, Mr. Arjun Sindhav and Ms. Shubha Tiwari participated in "SYNERGY" economics fest

organized by St. Xavier's College, Jaipur in September 2014. The students of St. Xavier's College, Ahmedabad stood first in La Bougette and second in economic talkies and quiz competition. St. Xavier's College, Ahmedabad was also awarded with the best outstation college award. Soumyadeep Ranjan won the quiz competition conducted by Jindal University. Amit Rupela was the recipient of the Rajiv Gandhi Youth Trophy for academic excellence. 28 of our students cleared the Minaxi Lalit Quiz competition from various departments. Prachi Patel, Yash Somaiya, Anoshi Patel, Boman Doctor, Nikita Meghani, Krutika Vyas, won prizes at various science competitions.

The roles of our SCQ members and students volunteers are remarkable, and they are the backbone of this college. We recognize their contribution.

Career cell under the leadership of CJ Clement has done a commendable job. Under the awareness programmes 125 students benefitted. 68hrs capacity building programme were organised by TCS and Oakbrook University where 120 students took advantage. Placement drive was carried out by Wipro, Gandhi Fellowship, Star TV, Teach India, Lowe and Lintas (world's second largest advertisement agency) where 264 students attended and 43 student got placement offer. We congratulate Career cell for the untiring work done to ensure jobs for our students.

We have entered into 60th year of service in the field of higher education. We need to switch gears to celebrate the diamond jubilee of this institution with a variety of programmes. Department of English, Economics, Gujarati, Psychology, Sanskrit, Chemistry, Biology, Physics, Mathematics and Statistics will also be celebrating their diamond jubilee. We urge all departments to contribute, academically, to make it a memorable celebration.

College has entered into meaningful collaboration with ACTI, and IPR for strengthening research activities. We thank and congratulate Chemistry and Physics-Electronics departments who took the lead to initiate such endeavours.

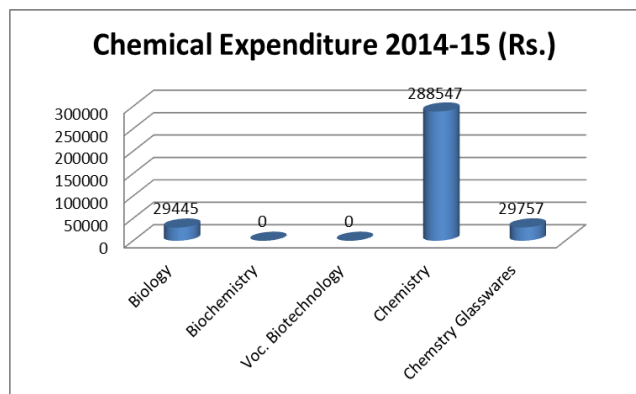

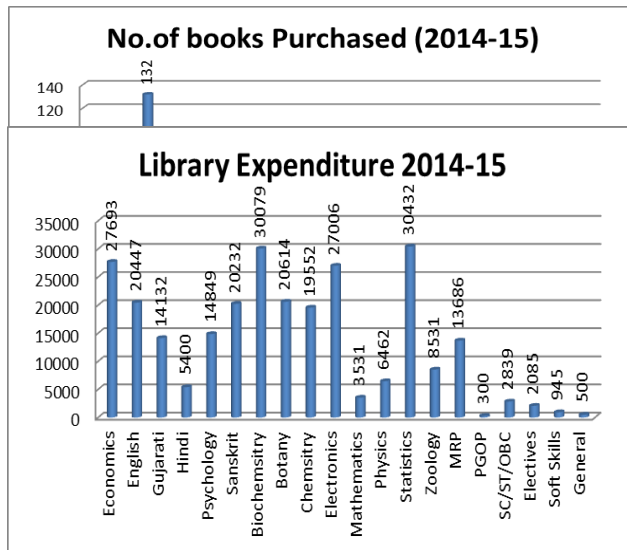

Infrastructure

Many new facilities were added in a few departments. Library facilities were upgraded at a cost of Rs. 6 lakhs. A total of 620 books were added in various subject at a cost of Rs. 2,69,315. Additional equipments accounting for 12.5 lakhs were added to the labs. High ended equipment such as UV – Visible Spectrophotometer, Microscopes, gel documenting systems

were procured. Installation of CCTV has helped to improve safety and prevent theft, which was a frequent phenomenon in the past. The Physics and Electronics Laboratory of first, second and third years have been upgraded. Zoology Lab, Psychology Lab, Economics Department, Career cell, CoE office, Library, and store rooms were upgraded. A new fax machine and Biometric system has been

introduced in the office. The department of Gujarati modified LR 5 by installing 22 portraits of Gujarati and Hindi literary figures. Computers were installed in the department of Economics, Physics, Chemistry, English, college office, Biochemistry, Physically challenged students, NSS and IQAC. Drinking water facility has

been upgraded by installing two separate RO system with cooling facility on second floor. The water cooler on the ground floor was also replaced. A central laboratory for bioscience was set up and named as Xavier Lab for Research and Development (XLRD). A new laboratory at a cost of 30 Lakhs is being constructed on the top floor of the building to accommodate new courses to be introduced, next June. We have renovated the counselling room, introduced ICT enabled 5 interactive smart boards, made our website a more dynamic one and modified the washrooms for sports persons. Rs. 26,68,866 were spent on campus maintenance.

Rs.7,92,610 were spent only on ensuring security on our campus. That means College Management pays nearly Rs.1821per person, on security related expenses. Despite the efforts to provide an organised parking facilities for two wheelers within the campus, students still continue to park their vehicles outside the campus, on the roadside, thus creating traffic congestions and invite the wrath of our neighbours. This is my sincere request to those students, who indulge in such uncivilised practices.

Future Plans:

St. Xavier's College as an autonomous institution has planned to introduce a B.A. in Journalism, BSc in Biotechnology, MSc in Biochemistry and MSc in Physics from June 2015. Efforts are on to clear the way to set up our extension campus in an area of 17 acres land adjacent to Greenwoods resort in Kodiyar, in the coming years. I take this opportunity to thank our Jesuit Provincial for making available this 17 acres land to St. Xavier's college. We have signed a MoU with Tata Consultancy Services. This is a strategic collaboration effort to provide our students with greater carrier opportunities, when they pass out from our institution. We have been selected as a college with potential for excellence under phase-III and sanctioned 1.5 crores. We have also received Rs 20lakhs under the UGC XIth additional grant, 20 Lakhs from CPE Phase –II, and 1.2lakhs from RUSA. The entire amount will utilised in developing library, teaching aids, and upgrading laboratories. College also received Rs.7.5lakhs from UGC as developmental grant for UG and PG courses.

College has established a best department award effective from next year following the NAAC criteria for evaluation. We urge all departments to strive towards achieving this coveted trophy from 2016.

College wishes to set up a 100 terminal visual computer library for the benefit of students, and organise more seminars and workshops in the next academic year

Hopefully, we will go in for a visual library and a gymnasium during this coming

year.

All that we have achieved wouldn't have been possible without the selfless commitment of each one of you. Each of you can give a pat on your shoulder for the commendable contribution made towards actualizing the dream of Xavier's to shine as the best educational institute in India. Let us also thank the Almighty for being our guiding force in all our endeavours.

Jai Xaviers
