## Student Satisfaction Survey (SSS) 2021-22

### INTRODUCTION

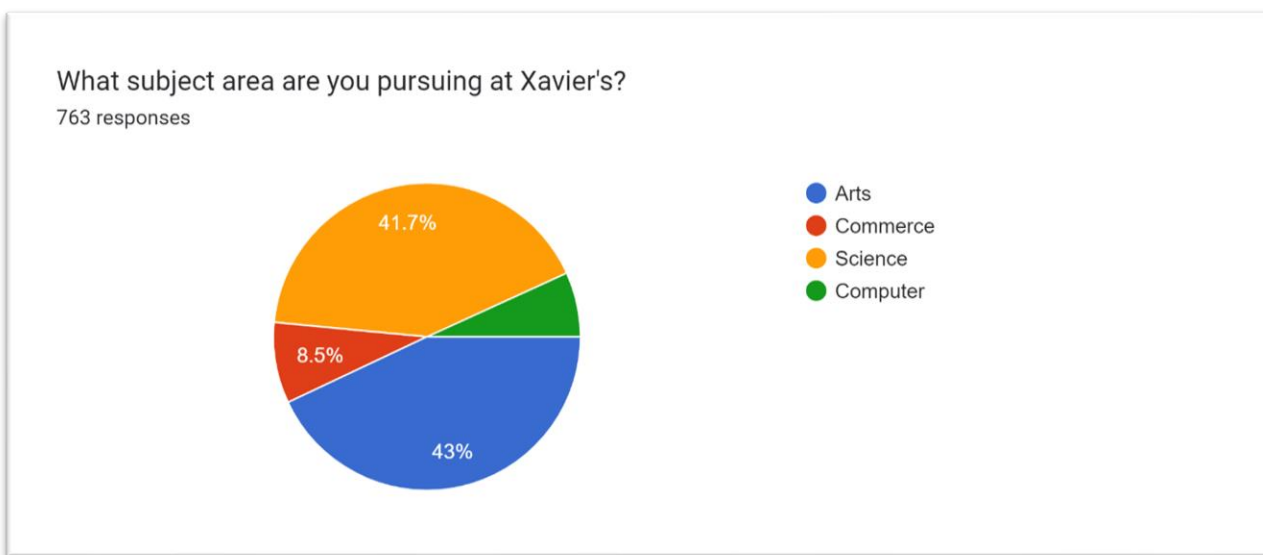

Every year the IQAC conducts the Student's Satisfaction Survey to evaluate the performance of the College in all academic and administrative activities. The feedback responses and its analysis help the IQAC plan its activities in the coming year and improve the quality culture in the College.

### SURVEY PROCESS

The questionnaire focusses on the teaching-learning, administration, examination, as well as extra-curricular and co-curricular activities in the College. The survey was conducted through a google form sent to the students through the LMS-Moodle. The link of the survey form: <https://forms.gle/if4uuLKur67giFnXA>

The responses were rated on a five-point scale, with 5 being excellent and 1 being average

### SURVEY SAMPLE

763 responses were obtained, of which 41.7 % were from science, 43% were from arts, 6.8 % were from computer sciences and 8.5% were from commerce.

## SURVEY ANALYSIS

From the survey conducted, it is concluded that:

1. 83.6 % of the students rated the quality of teaching as good to excellent. Students requested the teaching process to be more innovative and interactive. Some of them even wanted industry and other professionals to conduct guest lectures to give better insight into practical aspects of the subjects
2. 80.9 % students agreed that the syllabus was good but in the comments some students wanted the syllabus to be more structured and updated to meet the needs for various competitive and entrance examinations. 76% students felt that there was good amount of content in the syllabus offering skill-development, entrepreneurship, and employability.
3. Around 70% students felt that there was good usage of ICT tools by teachers and adequate support in terms remedial classes, seminars, conferences, workshops, coaching for competitive exams were provided by the College
4. In the comments section, students have requested to reform the internal evaluation pattern to reduce stress but 75% of the survey respondents are satisfied with the internal evaluation. Around 80% were satisfied with the external evaluation pattern
5. 75-80% students are satisfied with the sports infrastructure, classroom/seminar halls as well as library facilities. Almost 80% students expressed satisfaction in the landscaping and greenness of the campus.
6. The satisfaction level for the College Hostel and Canteen ambience were only about 60%.
7. 79% of the students were satisfied with the extra-curricular activities provided in the online mode during 2020-21
8. The students were also generally satisfied with the speed of grievance redressal, activities of the extra-curricular committee, activities of the placement cell and opportunities to do

research. More than 85% students were satisfied with the extension activities offered by the College.

The survey identified the following plans for the next academic year:

1. Upgrade the hostel and canteen facilities
2. Organize more guest lecture by industry experts and other professionals
3. Train teachers to employ innovative and interactive modes of teaching
