Vision

To build a more inclusive and humane society by accompanying the youth journeying through higher education; to inspire them to deepen their self-understanding, to develop a critical understanding of reality and a passion for the common good, to become sensitive to the poor and vulnerable and take care of the environment.

Mission

To provide access to excellence in academics, research and service learning to all strata of society with special attention to marginalized groups, discriminated people, and victims of social and economic disparity.

To provide students access to a variety of disciplines so that education is inter- and multi-disciplinary and leads to holistic development.

To create opportunities for self-learning, creativity and innovation.

To provide special academic and personal attention to disadvantaged and differently-abled students.

To promote gender sensitivity and equality.

To develop a scientific temper and encourage the staff and students to engage in research work.

Provide students the means to understand and live in a digitalized world which takes care of Nanoscience and Big Data.

To foster an experience of urban and rural extension work so that students are inspired to look for better opportunities for all.

To foster collaborations with other educational institutes and industries.

To provide opportunities to enhance the employability of the students and their entrepreneurial capacities.

Values of Xavier's

Principal's MESSAGE

Dr (Fr) Lancelot D'Cruz, S.J.
Principal

A warm welcome to each one of you as we begin the New Academic Year 2022-23! We are finally back to the campus that we call “Xaviers” for real-time learning sessions... where we can learn with and from each other!”. We definitely owe a debt of gratitude to the Almighty who has blessed each of us and our families with good health and with an abundance of blessings!

We would like to congratulate all our undergraduate and postgraduate students who have completed their studies and moved beyond the portals of St. Xavier's College! Your resilience and sacrifice through the difficult times we have passed through these last two years..... Adds value to your commitment and hard work! Your degree is just a piece of paper! But your education will be seen in your attitude, your behaviour and in your commitment to make this world a better, happier, more peaceful and a more humane place! I pray that each of you be blessed as you step into the world outside!

A warm welcome to all of you new students, we hope the friendly and informal atmosphere will make you feel confident and positive about making new friends, meeting your Professors and beginning your academics! The first day of College is one of those great transitional moments of your life. I hope you will relieve this day when you ascend the stage on Graduation day!.

*In the last few months we have had added some feathers to our cap! St. Xavier's College, Ahmedabad was conferred the **Autonomous status** in July 2014 and has since then started several new self-financed UG and PG courses including 3 new programs which were begun last year. The College had applied for the extension of the autonomous status and after a visit from a special UGC team in October 2021, I am happy to inform you the College has been granted extension of Autonomous status for another 5 years! Special thanks to our IQAC team and to all who helped us achieve this prestigious feat!*

*We are currently getting ready for the NAAC Peer Team Visit (PTV) which is scheduled for June 21-22, 2022. This will be our fourth cycle of **NAAC accreditation**: Xavier's was accredited with Five Stars (in 2001), reaccredited with an A+ (in 2007) and with a score of 3.41 (in 2014). Our present and the outgoing batch of students have already given their personal feedback about the College. The IQAC team and the Departments have put in a huge amount of work to ensure that we get the grade we deserve! We will need the help of each and every one of you, our Faculty and students to take the College to greater heights in this round of Accreditation!*

At Xavier's, we have been blessed with highly qualified, versatile and deeply committed Faculty who have helped to make Xavier's what it is today! From switching to online teaching, to developing E-content, to using creative systems of evaluation and mentoring, they have helped the College ensure that its academic schedule has been on track, something that has been much appreciated by students and parents alike.

As we always say, “Xavier's is not just a College. It is a way of life”. Our vision at Xavier's is to motivate each of our students to be professionally innovative and to be persons of integrity with a deep respect for diversity and difference. As students, you are definitely privileged to be part of this rich tradition of education!! I am confident that all of us at Xavier'sthe Jesuit community, our students, staff, parents, alumni and benefactors... will continue to work together to transform lives and to serve society!

AESTHETICS of XAVIER'S

Department of Commerce

Blending the academic foundations and industry requirements has always been a lacuna that needs to be filled. A step towards filling this void has materialized as our college has signed an MoU with Tata Consultancy Services (TCS), with the latter providing its expertise in Business Process Services. The collaboration has helped launch this very specialized course of B.Com. (BPS). This is a very unique three year full time degree programme designed by experts of TCS and academia. It is presently running successfully in several colleges in South India and benefits the student community to attain mainstream careers. Although the core focus of this course is to prepare students for successful professional career in BPS industry, the students can also achieve efficient employability in sectors like Banking, Insurance, Retail markets, Capital markets and so on.

Vision

Use the tool of higher education to shape men and women to attain their dreams of creating a planet of tolerance, equality, sound ecology and spiritual awakening.

Mission

Empower students by giving them a strong foundation in a specialized area of commerce with the objective of enhancing their employability, broadening their horizons and building a mindset of recognizing the talents of every individual without any discrimination of cast, creed and status.

Undergraduate Programme in Business Process Services

The programme spanning across six semesters has an intensive course work comprising Finance and Accounting for BPS Insurance, for BPS Banking, for BPS Paper Retail and Market Research Managing Business Processes: I Capital Markets for BPS; Managing Business Processes II Campus to Corporate.

Undergraduate Programme in Bcom (General)

An Under Graduate programme in B.Com aims to introduce the basic concepts in Commerce to the students so as to enable them to prepare themselves for further studies in Commerce. The second and third year courses in Commerce provide the students with an in-depth understanding of commercial law, market research taxation, banking, operation research, corporate ethics, entrepreneur development, etc., By the time they graduate, the curriculum will have developed a strong knowledge base, enabled students to think critically and coherently on scientific concepts, formulate ideas, design experiments and communicate effectively and creatively that are required for employability.

The department of Computer Sciences has developed a curriculum that not only introduces the concepts and understanding of databases, data structure, programming languages and networking but also focuses on developing technical skills through experiential learning modules like project works and product development. This quality in education has ensured that many of the students have also become entrepreneurs in the IT sector. The department with its competent faculty, good infrastructure and library have ensured that the BCA programme finds a place in the top institutions of the country.

Vision

To potentiate the Students with in-depth knowledge and computing systems utilizing technological and innovative way, shaping them into a responsible citizen enthralled with human and ethical values contributing towards the society and its challenges globally through the innovation centric education and research environment.

Mission

To attain academic excellence and enabling the quality of critical thinking and conscientize students on economic and policy issues.

Undergraduate programme in Computer Applications

BCA is one of the most opted courses to be offered for a career in Information Technology. The course work is at par with the best in the state and country, providing a sound academic base for an advanced career in computer applications. Key areas of computer studies and industrial computing along with the required analysis and synthesis involved in the information systems is ingrained in the curriculum. After the successful completion of the program, a student should be able to get entry level job in the field of Information Technology or ITES. BCA graduates can also start their career as programmers and rise to that of senior programmers. Software Development & Design in companies like Microsoft, Oracle, Wipro, Infosys etc. and System Administrator in big corporate companies like Citibank, HLL, P & G etc are some of the opportunities open for students.

Undergraduate programme in Computer Science

BSc. Computer Science is a 3 year undergraduate program which deals with wide grounding over a range of mathematics, statistics and computer programming. A course area gives expertise in Mathematical Sciences and Numerical methods for problem-solving, statistical modelling and scientific computing. The program gives knowledge about computer fundamentals, programming languages, networking, web designing, website development, software testing etc. It also provides a platform to enhance the knowledge by involving students into project work. It also involves students with projects.

economics@sxca.edu.in

Economics department, since the beginning has been one of the excellent departments in Humanities. Besides providing theoretical insights and discussions on applied economics, giving practical knowledge ensures a thorough understanding of the subject. The department is a well qualified team training students to graduate with excellent merits, and established themselves in areas like masters in economics, management, social sector, civil services and administration, banking, trade and commerce, business and more.

The department conducts seminars, encourages discussions on current topics, educates through innovative ways, facilitates research, and organizes study trips and educational excursions. Teachers make themselves available to students who need mentoring on any front, be it academics, career or personal growth. Further it trains students to be leaders, and help develop their talents in a holistic manner.

Vision

To attain excellence in theoretical knowledge of the subject, research, extension, administration and management as well as in civic awareness.

Mission

Short term goal of the department is to attain academic excellence. The long term goal is to make the students think critically on economic issues confronting them in their daily lives, so that they can actively engage themselves in policy issues.

Undergraduate Programme in Economics

During their first year in college, the programme aims to introduce the basic concepts in economics, so as to enable the students to prepare themselves for further studies in economics. The second and third year courses in economics provide the students with an in-depth understanding of Micro and Macroeconomics, Trade and Public Finance, Indian Economy, Gujarat Economy, Managerial Economics, Environmental Economics, Growth and Development, Mathematical Economics, Econometrics, etc. By the time they graduate, they develop critical thinking on government policies, and propose appropriate policy interventions that are required to make the economy more vibrant.

Certificate Course (Foreign Trade Management)

The Career Oriented Programme in Foreign Trade Management offered by the department is one of the most sought after courses in the college. This course helps the students to understand various nuances involved in imports and exports of a country, and offers various techniques in handling export – import business ventures. This is an additional certificate programme offered to students from other discipline, as well.

★ This course will be offered if a basic number of students register for the same.

Key areas of research in the department

- Product Patents - Indian Pharmaceutical Industry.
- Impact of foreign capital in economic development.
- Importance of regional groupings to enhance India's exports.
- Impact of global Sanitary and Phyto-Sanitary (SPS) measures and environmental standards on Indian processed food export sector.
- Industrialisation in Gujarat, etc., among others.
- Strategizing India to be a \$20 trillion Economy - Employment Challenges

Contact

english@sxca.edu.in

Over the years, the Department of English has developed from what used to be traditional, purely text-based criticism, to wider outlooks, taking into account various standpoints as well as various literatures. Alongside changes in the syllabi, there have been marked changes in teaching methodology, going in the direction of more and more open understandings of knowledge generation and transmission. Classroom processes encourage student participation in the reading and interpretation of prescribed texts, subscribing to the belief that readings cannot be singular unilateral. What literature and criticism teach is an emphasis on the capacity to argue logically one's point of view, as well as the value of a multiplicity of perspectives. The pedagogy strengthens effective communication skills, both verbal and non-verbal. Informal discussions and interactions between students and teachers as a good practice has been an invigorating experience for developing leadership qualities and healthy competitive spirit.

Vision

The department envisions fostering critical thinking, articulate expression, and aesthetic sensibilities. Through expertise in English literature and language, we hope to nurture students who will become excellent professionals as well as responsible, sensitive, and conscientious individuals. We hope to provide professional and personal skill-building with a special emphasis on effective communication and creative expression in language.

Mission

The department strives to encourage students to excel in literature, literary criticism, communication, research, creative writing, and translation through an active engagement with literary texts and scholarship. The mission of the department is aligned with the mission of the college which is to help students into better human beings.

Undergraduate Programme in English

The BA (English) is a three-year programme designed to provide students with an overview of British literature, as well as literary criticism, ranging from Greek, to Latin, British and Sanskrit. The course also offers papers in English Language and Communication Skills as well as Media. For students interested in learning English Language at a more advanced level, in order to pursue careers in media and mass communication as well as linguistics, the department has been offering a First Elective course in Functional English. This provides closer acquaintance with phonetics, writing skills, as well as Radio and TV studies.

Postgraduate Programme in English

Studying English at St. Xavier's College, at the Postgraduate (MA) level, combines a focus on linguistic proficiency with an attempt to nurture critical thinking and engagement with creative literary works. While language skills are a recognized necessity given the competitiveness of the national and international job market, the development of the ability to read critically and empathetically, to critique cultural artefacts and to establish rigorous and current theoretical frameworks for social and textual analysis form an integral part of humane living. The humanities in general, and literature in particular, have the ability, through this focus, to further what has been a longterm aim as far as the College is concerned: equitable and just processes of learning, taking into account a multiplicity of positions from which this knowledge is produced.

Certificate Courses (Vocational English Programme)

A career oriented course in Vocational English Programme has been run from 2019. This course is open to students from all departments especially those coming from vernacular medium schools. It is tailored to develop in students the confidence and capacity to communicate fluently in English. What makes the programme even more valuable is the fact that not only teachers with experience in language teaching, but also postgraduate students who use English proficiently are given an opportunity to interact with the students who opt for this course. This is in keeping with the pedagogy of the College, which encourages the development of both students and staff in the process of class interaction.

★ This course will be offered if a basic number of students register for the same.

Key areas of research in the department

- British Literature
- American Literature
- Philosophy
- Film studies,
- Genre fiction
- Indian Mythology
- Detective Fiction
- Women's writing
- Fantasy, children's literature

Languages connect communities and nations. The knowledge of languages apart from being a communication skill enables creations of books that speak volumes about a nation, a state and its people, culture, and history.

The department facilitates and enthuses every student, who is interested in Gujarati language, culture and literature. The focus, the efforts, the faculty, the activities and culture of the department are oriented towards their students' growth and well-being.

Hindi, is the second elective subject that the students take up. The curriculum includes famous literary works of Shri Ramdarsh Mishra, Shri Raghuvir Chaudhury, and Shri Chinubhai Modi etc. The rapporteur of Hindi literature takes one through a journey of different times, the changes and the progress that India has made in all these years. Apart from the technicalities of the language, the students get to learn about traditions, cultures and heritages.

Vision

With the objective of overall growth of students in view, focus will be on creating motivation and passion for language, literature and culture among students.

Mission

To orient students of Gujarati and Hindi, they are exposed through the masterpiece writings of eminent authors, taken to institutions that preserve and promote Gujarati and Hindi literature, theatre and culture. Students are encouraged to participate in seminars, workshops, literature fests, research projects and co-curricular text study to widen their literary and linguistic horizons.

Undergraduate Programme in Gujarati

The programme includes works of eminent writers of different eras, giving a glimpse of the societal conditions, the ethos and culture during medieval times, the practices and policies of earlier times, making a comparative with the current society and understanding the changes that have enabled the cultures and language to evolve. The programme aims at enabling students to be conversant with the subject as they could grow to become content writers, journalists, authors, poets and facilitators.

Key areas of research in the department

Psychology brings in an element of behavioural studies with respect to the self, the surroundings and the spiritual, which in turn encompass variables comprising neural, physiological, cognitive processes and environmental factors. The Bachelors programme aims at looking Psychology as a Science to groom students to be mentally healthy, emotionally sound and responsible citizens of the country.

Vision

To see Psychology department as an excellent department with a mission towards over all development of students and staff.

Mission

To bring in equity in academics peer learning and to offer a plethora of academic stimulants to the students for their academic as well as overall development through research, sports, co-curricular and extra-curricular activities.

Undergraduate Programme in Psychology

An undergraduate programme in psychology aims to describe, analyse, predict and make positive and constructive change in the behaviour and lives of people. It helps to explore the science of human behaviour and mental processes. The subject studies the mind, brain and social interactions. It assists people to improve their skills in decision making, manage stress and lead a positive life.

The programme helps to develop an in-depth understanding of human behaviour and skills to analyse and interpret research findings on human behaviour. The curriculum includes courses in behaviour studies, counselling, personality and industrial psychology.

Postgraduate Programme

Psychology, an integral part of human life helps us to understand the complexity in human behaviour and to unravel mental operations and human performance. The objective of a graduate course in clinical psychology is to help students to gain an in depth understanding of mental health, human behavior, and to prepare students to offer services as a clinical psychologist in the professional realm.

Apart from an up-to-date coursework, students will also get a chance to carry out internships. This course helps to break the stigma around mental illness and in turn, practice their knowledge at a professional level.

Certificate Courses (Counselling)

Since 2006, Psychology department conducts a twenty credit UGC recognized COP (Career Oriented Programme) course for the students of St. Xavier's College of both Arts and Science faculty.

This certificate course enables the department to engage in social extension work. COP in Counselling has tied up with 'Prabhat' Institute for mentally challenged students and have been rendering their services for the last three years. These students work with children at school (Xavier's Research Foundation) as well as conducting home visits, where they also meet parents to work out a plan as to how to deal with these children. The department welcomes students from other faculties in this intervention.

This course will be offered if a basic number of students register for the same.

Key areas of research in the department

- Clinical Psychology (Adolescent Psychology)
- Personality development

sanskrit@sxca.edu.in

The Sanskrit Department has been preserving its rich heritage at St. Xavier's College since 1955. As a classical language, it is a unique experience to study this divine language, the mother language of Indian regional languages, and sister language of Greek, Latin and English languages. The reading and understanding of classical scriptures written in Sanskrit gives an insight into the rich heritage of India, learnings and governance policies, knowledge dissemination methods, effective communicative skills. The early manuscripts like the Vedas give an explicit information of varied subjects that include arts, agriculture, medicine, economics, engineering, performing arts etc. There are many practices that are still based on these age old wisdom and hence, Sanskrit as a subject is valued in several nations other than India, with many international students coming in to study Sanskrit. Ingrained in the course work is research, active participation in elocutions and verse completion competitions at the intercollege level.

Vision

This department wishes the future generation to acknowledge Sanskrit as a valuable asset enabling one to be globally recognized.

Mission

To develop a thirst for knowledge in Sanskrit with a view to spoken Sanskrit and to promulgate the value and cultural heritage of Sanskrit in society.

Undergraduate Programme in Sanskrit

The Undergraduate programme deals with topics that provide a new perspective and teach the Art of Living. The course work comprises a detailed study on Sanskrit Drama, its types, special features of Sanskrit one Act Plays, Criticism on the episodes of literary works like Bhasa, Bhagavad Gita, Kalidasa's Raghuvansham and Upanishads. Translation of the verses is an integral part of the course. Understanding the styling of various writers, Psychological aspects of a play in accordance with the Concept of 'Stress' are also unravelled in the course.

Key areas of research in the department

- Indian Philosophy
- Indian Poetics
- Classical Sanskrit Literature and Music
- Dharmashastras

'Data is the future.' Data is the most important element in any venture. Data gives us glimpses of the past, reality of the present and strengthens us to predict the future.

The Tata Consultancy Services (TCS) initiative has made remarkable strides in shaping the talent capability aligned to data analysis, business requirements and to accrue seamless mutual benefits for the world of academics and industry. The objective of this course is to contribute to overall development of the student community in order to enhance quality and consistency of talent supply by channelizing practical industry knowledge to the classroom. The course work comprises Statistical Methods, Probability & Stochastic Process, Linear Algebra & Linear Programming, Computing for Data Sciences, and Database Management etc.

Vision

To become the centre of knowledge in data sciences and use the medium for transforming society.

Mission

To achieve excellence in teaching and research in data sciences and create excellent workforce.

Postgraduate Programme in Big Data Analytics

The department offers graduate programme in Big Data Analytics. The best part of the programme is that TCS would help the students to work in a real-time environment during the fourth semester, which will enable the students to have a hands on experience of analyzing big data.

Key areas of research in the department

- *Machine Learning*

In its sojourn towards enthusing students' interest in the subject, the department has focused on three aspects: building a conceptually sound foundation of the subject knowledge; the importance of basic and applied research; and the benefits of the subject in the development of the society. The department has adopted traditional as well as modern methods of teaching and has put a lot of emphasis on learning by doing. The seeds of research, entrepreneurship, innovations, team work and efficient working are sown by the qualified staff members by establishing a one to one interaction with students through mentoring sessions. The department believes in learning and growing together and this belief has seen it grow from a single room to multiple labs with good infrastructure and envisaging a place worth a mention by taking small but definite strides. Our students are pursuing research in premier institutions in India, USA, UK, Australia, Austria, Germany and France. They have also been successful in industries and many of them today are Project Heads.

Vision

Growing into a globally recognized teaching and research facility.

Mission

Excel in Biochemistry and Biotechnology teaching, create excellent students with a skill set benefitting the society.

Undergraduate Programme in Biochemistry

Biochemistry involves the chemistry of life and it touches the various aspects surrounding life as we know it today. Being a relevant field in pure sciences, our department offers a course that is not only interesting but covers a wide range of topics. Basics of cell and molecular biology, microbiology, bio-physics, cell culture techniques etc. are illustrated over the course of three years by the dignified faculties. A relevance of the theoretical basics to practical work is what makes the course/department unique.

Undergraduate Programme in Biochemistry with Vocational Biotechnology

This program was conceptualized with the thought that the amalgamation of a strong foundation in the subject and an enhanced skill set will be a perfect blend for orienting students towards entrepreneurship. The course work includes a component on entrepreneurship that gives an insight into essentials of beginning a small scale industry. The students opting for this programme will have Biochemistry as the core subject supplemented with additional papers of Vocational Biotechnology each semester. A summer internship is an important feature of this programme.

Undergraduate Programme in Biotechnology

Biotechnology is emerging as a revolutionary field of research and development in the 21st century. With that very concept in mind, here at St. Xavier's College we aim to introduce students to the broad horizons of the science of biotechnology. Being a more practical and analytical approach to the basic principles of subjects like biochemistry, microbiology, molecular biology, cell biology, immunology, students are given conversance of the fundamentals as well as the practical applications. The course work includes a minor research project in the last semester with the objective of enhancing the ability of students to design experiments, analyse data and understand the relevance of research for development.

**Postgraduate Programme in Biochemistry**

The Graduate Program in Biochemistry goes into depths of working of the multifaceted proteins, DNA and RNA with the objective of highlighting why understanding basic mechanisms and techniques together ensure significant basic research. The programme is formulated for developing competent Biochemists leading towards a PhD programme. The programme obliges students to read original publications and envisages significant inputs in laboratory work, communication skill, creativity, planning, execution and critical evaluation of the studies undertaken. The students can opt for in house projects or choose to apply to research institutions and industries for the dissertation projects.

**Postgraduate Programme in Biotechnology**

Biotechnology is a product oriented science that has its applicability in sectors as varied as Agriculture, Food and nutrition, Public health, Therapy and diagnostics, Environment, Textile industry and thus it entails the need to have a strong knowledge base of Metabolism, Molecular biology, Microbiology, Genetic engineering, Bioinformatics, Immunology, Analytical and technical skills. The curriculum of this MSc programme has been designed to ensure that the students strengthen their knowledge base and go through experiential learning modules to hone their technical skills. The curriculum has got acquiescence from professionals in Academics and Industry.

**Key areas of research in the department**

- Applied Microbial Biotechnology
- Plant Biotechnology
- Plant – microbe interactions
- Protein purification
- Microbiology
- Pharmacognosy
- Cell and molecular biology

DEPARTMENT of BOTANY

Head of the Department*Dr (Fr) Lancelot D'Cruz, S.J.***Members***Dr Kinnari J Dubal (Coordinator)**Dr Maulik H Gadani**Dr Rashmi Yadav***Management Appointee***Dr Suhani Parekh***Undergraduate Programme***Bachelor of Botany***Postgraduate Programme***Masters in Botany (Self Finance)***Value-added Course***Gardening and Landscaping***Plant Collector***Mr Satish Parmar***Laboratory Personnel***Mr Piyush Patelia***Number of Seats***BSc Botany : 30***Number of Seats***MSc Botany : 30***Admission Procedure***Vide Page - 60***Contact***botany@sxca.edu.in*

Botany was started in the college in 1982. Botany is a basic subject on which the applied biological sciences build. The subject cannot be learnt within the confines of the classroom or the laboratory and hence regular field trips, institutional visits, study tours and group projects are an integral part of the methodology adopted by the department to enhance the interest and the proficiency of the students. The students study the vegetation of Mt. Abu, Sawantwadi, Dediapada, Balaram, Gir, Saurashtra and Kutch under the guidance of expert Taxonomists.

The department treasures a priceless collection of wood samples, seeds, a small herbarium and several rare botanical specimens. During the past two decades, the department has played a stellar role in setting up the chain of Ecological Niches which makes St. Xavier's College one of the greenest college-campuses in the city. These earlier contained close to 900 species of flora including ornamental & medicinal plants, a Cactarium, a Green House and a lotus pond.

Vision

To develop skilled and scholarly botanists who will be leaders in botanical education and research.

Mission

To excel in transmitting knowledge and skills so as to build botanists who can make meaningful contributions to research and entrepreneurship leading to a sustainable environment.

Undergraduate Programme in Botany

The programme investigates the diversity of life at all levels, from microorganisms, through algae, fungi, mosses, ferns and seed plants to plant communities and their impact on ecosystems. The course work enthuses students to explore the diversity of life in a liberal arts environment through a variety of indoor and outdoor methodologies. Projects in every semester engage the students in a creative process whereby they develop critical and analytical skills and an understanding of the methods by which biologists study nature. The curriculum travels through taxonomy, plant diversity, plant anatomy, embryology plant physiology, plant genetics, plant biochemistry, plant breeding, molecular biology, bioinformatics, ecology, cytology and through economic botany, ethnobotany, gardening and landscaping, organic agriculture and herbal cosmetology among the applied sectors.

Postgraduate Programme in Botany

A new MSc program in Botany is being offered from 2022-23 with a special focus on Taxonomy, Ethnobotany, Gardening, Medical Botany, Remote Sensing and Mycology. Students will benefit from the extension linkages that the Department has with tribal and other communities related to ethnobotanical, agricultural, landscaping and taxonomic projects.

Value-added certificate course

A special 30-hour Value-added course on 'Gardening and Horticulture for Beginners' is being offered to a batch of 30 students of the College.

Key areas of research in the department

- Plant Taxonomy and Biodiversity
- Ethnobotany and Ethnomedicine
- Remote Sensing

pganalytical@sxca.edu.in

Chemistry is one of the fundamental subjects in science and is the heart of many major industries like fine chemicals, dyes, pigments, pharmaceuticals, petroleum, paints etc. Hence a degree in chemistry leads to innumerable choices in career.

The Department of Chemistry was established in 1956 and is one of the largest and most prolific Departments of the College. It has an illustrious history in nurturing the SXCA tradition of excellence and has provided regional leadership in chemical education and research. Most recently the Department has earned prestigious DST-FIST sponsorship for the College.

The Department's teaching and research program spans the length and breadth of Chemistry. General areas covered in the curriculum include Organic Chemistry, Inorganic Chemistry, Physical and Analytical Chemistry. The Department also offers two master's programmes with Analytical and Organic Chemistry as specializations.

Vision

The Department of Chemistry seeks to be recognized as one of the best Chemistry Department with acknowledged excellence in teaching, learning, research, and outreach.

Mission

To create and disseminate knowledge in all aspects of the chemical sciences and to strive to enable students to make meaningful contributions to diverse, technological society where they improve the lives of the citizens in the country through research and service.

Undergraduate Programme in Chemistry

Chemistry is offered as a part of several subject combinations. The thrust is in developing a strong foundation in the basic concepts. The curriculum covers every area of Chemistry, comprising Organic Chemistry, Inorganic Chemistry, Physical and Analytical Chemistry. These basics are supplemented with some current and environmentally relevant topics like Green Chemistry, Soil Chemistry and Everyday Chemistry as electives.

Undergraduate Programme in Chemistry with Vocational Industrial Chemistry

In 1995 the Department also began offering a vocational course in Industrial Chemistry. Keeping in view our goal of making students self-reliant and industrious the vocational course has been designed with entrepreneurship as a basic flavor. The students enrolling in this program have Chemistry as their core subject with additional papers of subjects in Industrial Chemistry. This helps them to learn and train in the area of some of the core industrial aspects.

Under the entrepreneurship skill development program the vocational IC students run an in-house industrial training unit (ITU) wherein they are trained in purchasing raw materials, manufacturing products such as soap solution, candles and creams; promoting and selling these products in the market. This training contributes immensely in making the students enterprising and self-sustaining.

Post graduate Programme in Chemistry (Organic)

Organic chemistry plays a part in the development of common household chemicals, foods, plastics, drugs, and fuels most of the chemical's part of daily life. Hence, an organic chemist can contribute immensely to research and development of drugs, dyes, paints, fertilizers, and pesticides. The post graduate programme in Organic Chemistry is the oldest post graduate program in the College and focuses on specialized topics such as medicinal chemistry, bioorganic chemistry, and advanced organic synthesis.

The program also offers courses on natural products, industrial chemistry, cosmetic chemistry and organic spectroscopy.

Post graduate Programme in Chemistry (Analytical)

Chemical Analysis is a common feature linking earth sciences, pharmaceutical sciences, environmental sciences, petrochemical industry, forensic sciences etc. An analytical chemist can identify and solve problems in these varied areas of research. Against this backdrop and with the sole aim of moulding students with the requisite skill-set needed to be employable analysts; M.Sc. Chemistry (Analytical) is being offered. The course has been designed with special emphasis on developing research aptitude, providing a strong background in instrumental techniques and enhancing employability.

The course includes topics such as Qualitative Optical Spectroscopy, Electroanalytical Chemistry, Modern Separation Chemistry, Clinical and Regulatory Aspects of Drug Discovery, Bioanalysis, Environmental Analysis and an industrial training program.

Laboratory facilities

The Department has six well-equipped laboratories wherein students can perform a variety of chemical experiments including organic and inorganic preparations, qualitative and quantitative analysis as well as physical experiments using equipments such as pH meters, potentiometers, refractometers, conductivity meter etc.

Key areas of research in the department

Majority of the faculty members are doctorates, with several of them having PhD guideship; hence the department has contributed towards many students getting their Ph Ds. The Department has a wide variety of research areas, which makes it vibrant and competitive. Key Areas of research in the Department are:

- Organic Chemistry: Synthetic heterocyclic chemistry, Medicinal Chemistry, Phase transfer catalysis
- Chemistry of Graphene, Polymer Science, Nano Materials and Nano Composites
- Analytical Chemistry, Conductometric and Thermodynamic study of supramolecules with different metal ion
- Thermodynamics and stability of metal ion-crown ether interaction, Quantitative Bioanalysis
- Photo-chemistry, Nano particles, Nano medicines
- Coordination Chemistry (Metal Based Drug).

Study of Mathematics includes quantity, structure, space and change. Mathematicians seek out patterns, formulate new conjecture and establish truth by rigorous deduction from appropriately chosen axioms and definitions. Mathematics is used as an essential tool in natural sciences, engineering, medicine and the social sciences.

The department of Mathematics was started in 1955 with an undergraduate program. Under the autonomous system, the department has launched a graduate program. Studying mathematics develops skills such as arguing logically and rigorously, formulating and solving problems and analysing data. Consequently, Mathematics Majors perform well in competitive exams like UPSC, SSC, GPSC, TAS, CAT, GMAT banking exams, etc. So students who want to pursue M.B.A, M.C.A, P.G.D.C.A. or to appear for banking and insurance sector exams prefer to take mathematics as a main subject. Students who want to pursue a career in computers or IT also opt for mathematics.

Vision

To be at the vanguard of knowledge in the domain of higher learning and achieve the highest standards in Mathematics.

Mission

To achieve excellence in empowering the students through building mathematical aptitude, and research that cultivates mathematicians who can contribute to Nation building

Undergraduate Programme in Mathematics

A bachelor's degree in mathematics prepares one for think logically, plan strategically and then apply the appropriate methods to solve the problem based on the acquired knowledge. It has a myriad of opportunities in actuarial sciences, mathematical modelling and mathematics education as well as for graduate school leading to a research career in mathematics or statistics. A strong background in mathematics helps in research in many areas of computer science, bioinformatics, computational biology and social sciences.

The department encourages the students to take part in the following activities:

- MMC (Madhava Mathematics Competition- National Level)
- Prof. A. R. Rao Ganit Spardha
- NMTC (National Mathematics Talent Competition- Senior level)
- GGMC (Gujarat Ganit Mandal Conference)
- Science Excellence
- Undergraduate Research in Mathematics
- Workshop on Mathematical Models making
- Fr. Valles Lecture Series is initiated to honour one of the founding fathers of the department of Mathematics at SXCA.
- Simon Marais Mathematics Competition

The department sends students every year to the Mathematical Training and Talent Search programmes (M.T.T.S.) supported by the National Board of Higher Mathematics.

Postgraduate Programme in Mathematics

The Master's Program in Mathematics gives an opportunity to the students to broaden their knowledge in the subject with a focus on applications. The programme is designed to ensure that students are able to do well in competitive exams. The understanding of the different modules will prepare the students to take up teaching profession and for careers in the government sector, corporates, and research institutes. The programme will also enthuse students to pursue their doctoral studies. The prerequisite for a student to enrol in this programme is to have an undergraduate degree in Mathematics with a minimum aggregate percentage of 60%

Key areas of research in the department

- Graph Theory
- Functional Analysis
- Number Theory
- Approximation Theory with Positive Linear Operators
- Quantum Calculus
- Mathematical Modeling
- Operation Research

physics-electronics@sxca.edu.in

Physics is a journey from physical to metaphysical. It helps us to understand the working of the world around us and to connect fundamental concepts with apparent dissimilar realities: smooth flow of ketchup to music from a flute, cell phones and cell signalling to rockets, positron to galaxies, optical illusion to stellar complexes, dark matter and antimatter, and neurons to brain.

Reverberating with the foundations of Physics, the department is known for its academic excellence and offering research opportunities to students in the final year. It has a theoretical Physics laboratory and Nanoparticle Research Laboratory with computational facility to meet the need of lovers of Physics. The department regularly offers seminars and talks in astronomy, condensed matter physics, theoretical physics and environmental physics under the title 'Physics for Tomorrow'.

Vision

Physics & Electronics department aspires to be the leading voice and driving force in Physics & Electronics education.

Mission

To groom young scholars of merit in Physics & Electronics with a right balance of intellectual, emotional and cultural growth. Inculcating value system and nurturing sensitivity and tolerance towards fellow human beings, will be our priority.

Undergraduate Programmes in Physics and Electronics

The department offers degree programmes in Physics and Electronics. The courses help to gain knowledge from basic to advanced matter as well as practical skills to work at the forefront of this exciting and developing field. The programmes help to develop independent thinking, observational, quantitative, analytical and communication skills that are required for a career in Physics-Electronics.

Postgraduate Programmes in Physics

A Graduate course in Physics enables students to explore exciting careers in national and international research laboratories related to the diverse branches of Physics, academic institutions, space organization, meteorology departments, medical industry, electronics industry, public services, Armed forces etc.

Certificate Course in Digital Design & Verification

Introduced to initiate Third year B.Sc. and M.Sc. Physics & Electronics students for a career in the fields of:

- Functional design of digital logic
 - Functional verification of large-scale digital System-on-a-Chips (SoCs)
 - Electronic Design Automation (EDA) tool development
- This course will be offered if a basic number of students register for the same.

Key areas of research in the department

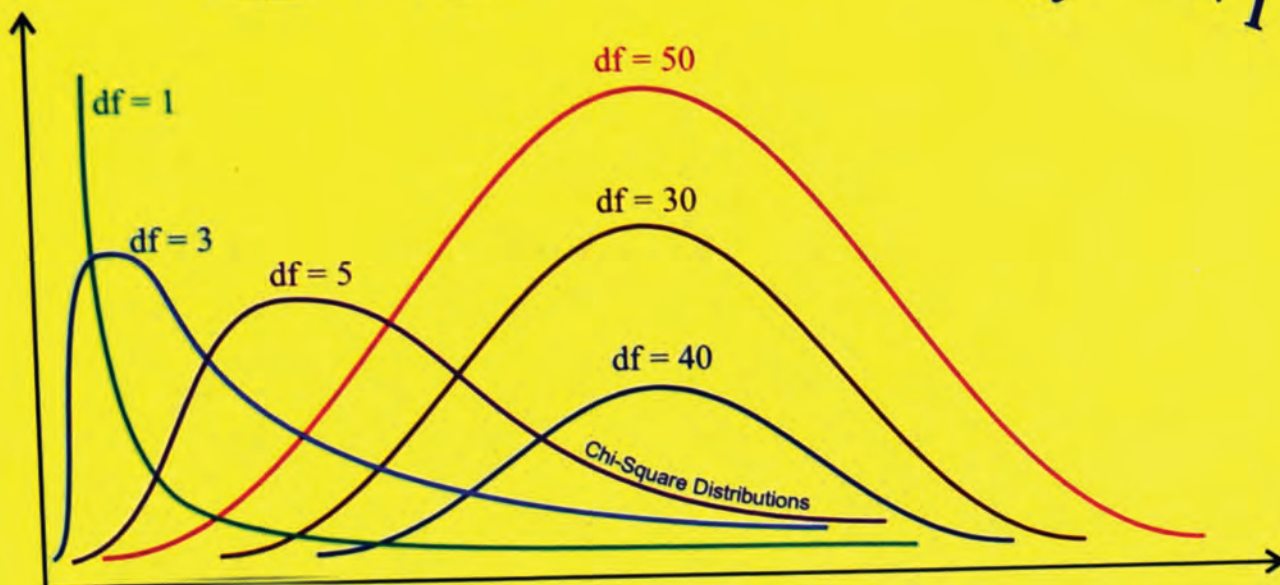

- Ionospheric Physics Radio Wave Communication
- Condensed Matter Physics (Theoretical)
- Nanoscience

Undergraduate Programme

Bachelor of Statistics

Number of Seats

BSc. Statistics : 30

Admission Procedure

Vide Page - 60

Contact

statistics@sxca.edu.in

Collecting, analyzing, inferring data to validate a study by increasing consistency and minimizing uncertainty is at the crux of Statistics as a subject. Research today is not accepted without statistical analysis. The subject has burgeoned into data mining, big data analysis, machine learning and data visualizing. Hence, the statistics department today has forayed into the "Gateway to Data Science", giving thrust to building the latest skill set in their students. Other than the conventional undergraduate programme in Statistics offered to the Science Stream, the department also offers the subject to Arts Stream. Moreover, due to an increasing demand for Big Data Analytics, the department has collaborated with Tata Consultancy Services to plan and design a curriculum for post graduate studies.

Vision

To become globally accredited and highly respected center for data science to nurture budding statisticians, who are ethically and socially conscientious and committed to excellence.

Mission

To attain academic excellence by acquiring the skills of statistics, and expanding the knowledge of students through innovative teaching, learning and extension activities.

Undergraduate Programme in Statistics

The department offers courses in Statistics at the undergraduate level to both Arts and Science students. It also offers an elective paper to third year students.

This degree will give knowledge of Statistics along with a broad grounding in other allied subjects. The department offers a three year programme. The main objective of this course is to introduce to the students the basic concepts of probability, random variable, expectation, raw and central moments and least square method. The course will enable distinguishing between random and non-random experiments, to find the probabilities of events, to fit various mathematical curves (linear and non-linear) to observe data, to discuss idea of statistical quality control, and to discuss hypothesis testing.

Key areas of research in the department

- Statistical Inference

Prospectus 2022-23

A conglomerate of understanding the expanse, diversity, behaviour, physiology and molecular aspects of the animal world.

**DEPARTMENT of
Zoology**

Head of the Department*Dr (Fr) Lancelot D'Cruz, S.J.***Members***Dr Sharadkumar Sondarva**Dr Mohammed Ali Momin**Dr Robin M Parmar (Coordinator)**Dr Amit J Koshti***Laboratory Personnel****Management Appointee***Mr Ambalal Macwan**Mr Kamlesh Vankar***Undergraduate Programme***Bachelor of Zoology***Number of Seats***BSc. Zoology : 30***Admission Procedure***Vide Page - 60***Contact***zoology@sxca.edu.in*

Zoology was one of the first departments to be established when the college itself was instituted in 1956. Zoology focuses on the structure, behaviour and evolution of animals. Classroom and theoretical professing is not sufficient for understanding the subject and therefore, study tours and visits to Zoological Parks are integrated in the course structure. The students have visited National Parks like Gir & Kanha and sea coasts of Tamil Nadu, Goa, Ratnagiri, Okha, Dwarka and Diu. The students have also visited inland fisheries centres at Linghda and the Ukai Dam. Visits to the Indroda Park, to public gardens and scientific institutes like the Community Oncology Centre (Cancer Inst.) and the renowned Gandhinagar FSL are a regular part of the yearly program. The department also treasures a collection of different taxa.

Vision*To secure a place amongst the proven institutes of Zoology.***Mission***To generate versatile eco sensitive and socially conscious Zoology students that would benefit the animal kingdom as-well-as all other allied subjects.***Undergraduate Programme in Zoology**

An undergraduate course in Zoology designed with a research orientation, deals with animal behaviour, anatomy and their ecology. It is a conglomerate of understanding the animal world from both outside as well as at the molecular level. The syllabus comprises physiology, biochemistry, animal diversity (nonchordates and chordates), ecology, cancer biology, cytology, genetics, animal biotechnology, organic evolution, biophysics, some physico-chemical laws applied to physiology, applied entomology, fishery, poultry science, wildlife of India, and human parasitology.

Key areas of research in the department

- Toxicology
- Animal behaviour
- Genotoxicity
- Ecology
- Wildlife

How to Apply

Admission Policy

St. Xavier's College is a religious minority institution and seeks to provide higher education to not only the children of the Christian Community but to students of all castes and creeds, especially those who are socially discriminated. This is in the spirit of universality that has always characterized Christian education.

Universality

St. Xavier's College admits students from different states of India as well as from countries across the world. This provides an excellent opportunity to learn about the customs and cultures, dresses and dances, beliefs and behaviour of a variety of people. It also brings home the reality that we are all brothers and sisters belonging to one large human family, united by bonds of acceptance and friendship. About 10% of our students stay in the two hostels belonging to the College: St. Xavier's Men's Hostel and St. Xavier's Ladies' Hostel.

Admission Process

St. Xavier's College is governed by the ordinances of Governing Body constituted under the autonomous structure established on June 19, 2014 for granting admission to students. However, it retains its privileges as a minority institution.

Eligibility

- Students who have passed the Gujarat Board HSC/degree Examination are eligible for admission to the first semester in UG/PG St Xavier's College. Students who have passed from other Boards/Universities may apply for admission only after having obtained a Provisional Eligibility Certificate from Gujarat University.
- Candidates are admitted on the basis of their marks at the qualifying examination and a personal counselling with the Principal and/or his delegates.
- Those who have outstanding achievements in any field of human endeavour are given special consideration and are treated as 'special cases.'
- This 'special cases' category, however, is subject to the discretion of the management. Students are also admitted under sports quota and cultural activities quota. For this they are required to substantiate the capacities claimed by them.
- Differently-abled students are admitted to the College under special consideration. Being a minority institution, Christians, Scheduled Tribes, Scheduled Castes and Other Backward Classes are also given special consideration.

- The procedure for admission is displayed on the College website as well as on the notice board during admission time. Students must read it carefully before filling their admission forms.
 - a. The admission process for semester 1 begins after the declaration of the Gujarat Board Examinations results. The exact dates and the duration of admission process are generally announced on the College website by mid May.
 - b. Applications for admission to St. Xavier's College should be made by filling the online admission form provided on the College website, www.sxca.edu.in. For the benefit of those students who cannot access internet facilities, a few computer terminals will also be made available at the College.
 - c. Short listed candidates will be informed through E-Mail /SMS, asking them to meet the Principal.
 - d. The original mark sheet, a copy of first attempt certificate, a copy of the school leaving certificate, and provisional eligibility certificate if from a Board other than Gujarat Board with all relevant documents for verification will have to be presented.
 - e. Lists of students based on merit, as defined by the institution, are put up on the College Notice-board from time to time till the seats are considered full. The candidates on the list are called to meet with the Principal to finalize the admission. Name on the list does not guarantee admission. Only the Principal of the College is empowered to finalize the admission.
 - f. Applicants should check the notice board daily till the admissions are closed.

Regarding Re-Admissions

- Admission has to be renewed for each semester, and it is not guaranteed. Students, who have attended St. Xavier's College during the previous semester are normally assured of re-admission provided their conduct and progress have been satisfactory. The decision of the Principal in this regard will be considered final.
- Those, who wish to continue their studies at St. Xavier's College must fill their admission form and pay their fees within the prescribed date.
- Applications received after that period will be considered on merit, place permitting, and a 'late fee' will be charged from those who are re-admitted after the set date.
- Students of colleges affiliated to Gujarat University

who desire to transfer to St. Xavier's College must first check the possibilities of admission with the Principal. Those, who are guaranteed admissions are then required to produce a No Objection Certificate from the Principal of the college they are leaving and a Transfer Certificate later.

- Admission to the next semester is based on academic merit and on availability of places in the particular subject group. Those applicants whose names have been short-listed will be called for an interview with the Principal.
- Students, who are unable to fill their form or pay their fees personally may authorize in writing a responsible person in the city to do so. They must inform the Principal and/or the concerned Vice Principal about this arrangement. The College office personnel are not allowed to accept any undertaking to pay a student's fees.

Fees & Deposits

- A candidate who has been granted admission to the College is expected to pay the fees immediately failing which the admission will be cancelled.
- The College fees for semesters II to VI will also be accepted online through Credit Card, Debit Card or Net Banking
- Online Payment Assistance: For any assistance regarding online payment, call the College office between 10 am and 5 pm on all working days (except on Saturdays) on the following numbers : 079-29708056 / 7 +91 94265 75890 or info@sxca.edu.in
- If you have not got your receipt and your fees window has not been updated after the payment of your fees online, it may be that you have made some error in completing the payment process correctly. In such a situation, before you make another attempt to make the same payment, verify whether or not your account has been debited. If your account has been debited but still you have not got your receipt, then you must meet with Ms. Jayshree Bhatt in the College office with your bank details to get your fees window updated. Thereafter, you will automatically get your receipt.
- Lack of financial resources will not be used as a reason to deny admission. St. Xavier's College endeavours to ensure financial support to all genuine cases of students who are earnest about studying in the College but are unable to meet the fees.
- Financial support to needy students is announced through notices. The appropriate form must be filled up and handed over to the students' counselling

office. Such financial disbursement is done through the Vice-Principals.

- Refund of excess fees paid Online: In case a payment is made online more than once by mistake, the candidate is requested not to place any Charge Back Request to their respective banks. The excess payment, if any, will be refunded from the College office as soon as the candidate makes a request for refund of the same in the College office with the documentary evidence of the payment in question.
- Educational Scholarship or Loan: Students who get Educational Scholarship or Loan from anywhere outside St. Xavier's College should deposit their cheques at the College office.

Special Note

Admission granted to an applicant is to be considered provisional until all fees are paid and all the prescribed documents are in order. St. Xavier's College **DISCLAIMS ALL RESPONSIBILITIES** if any of the documents required as per Gujarat University requirements are not submitted or found unacceptable by it. The College will not accept responsibility for students who do not submit the expected examination/enrolment forms in time.

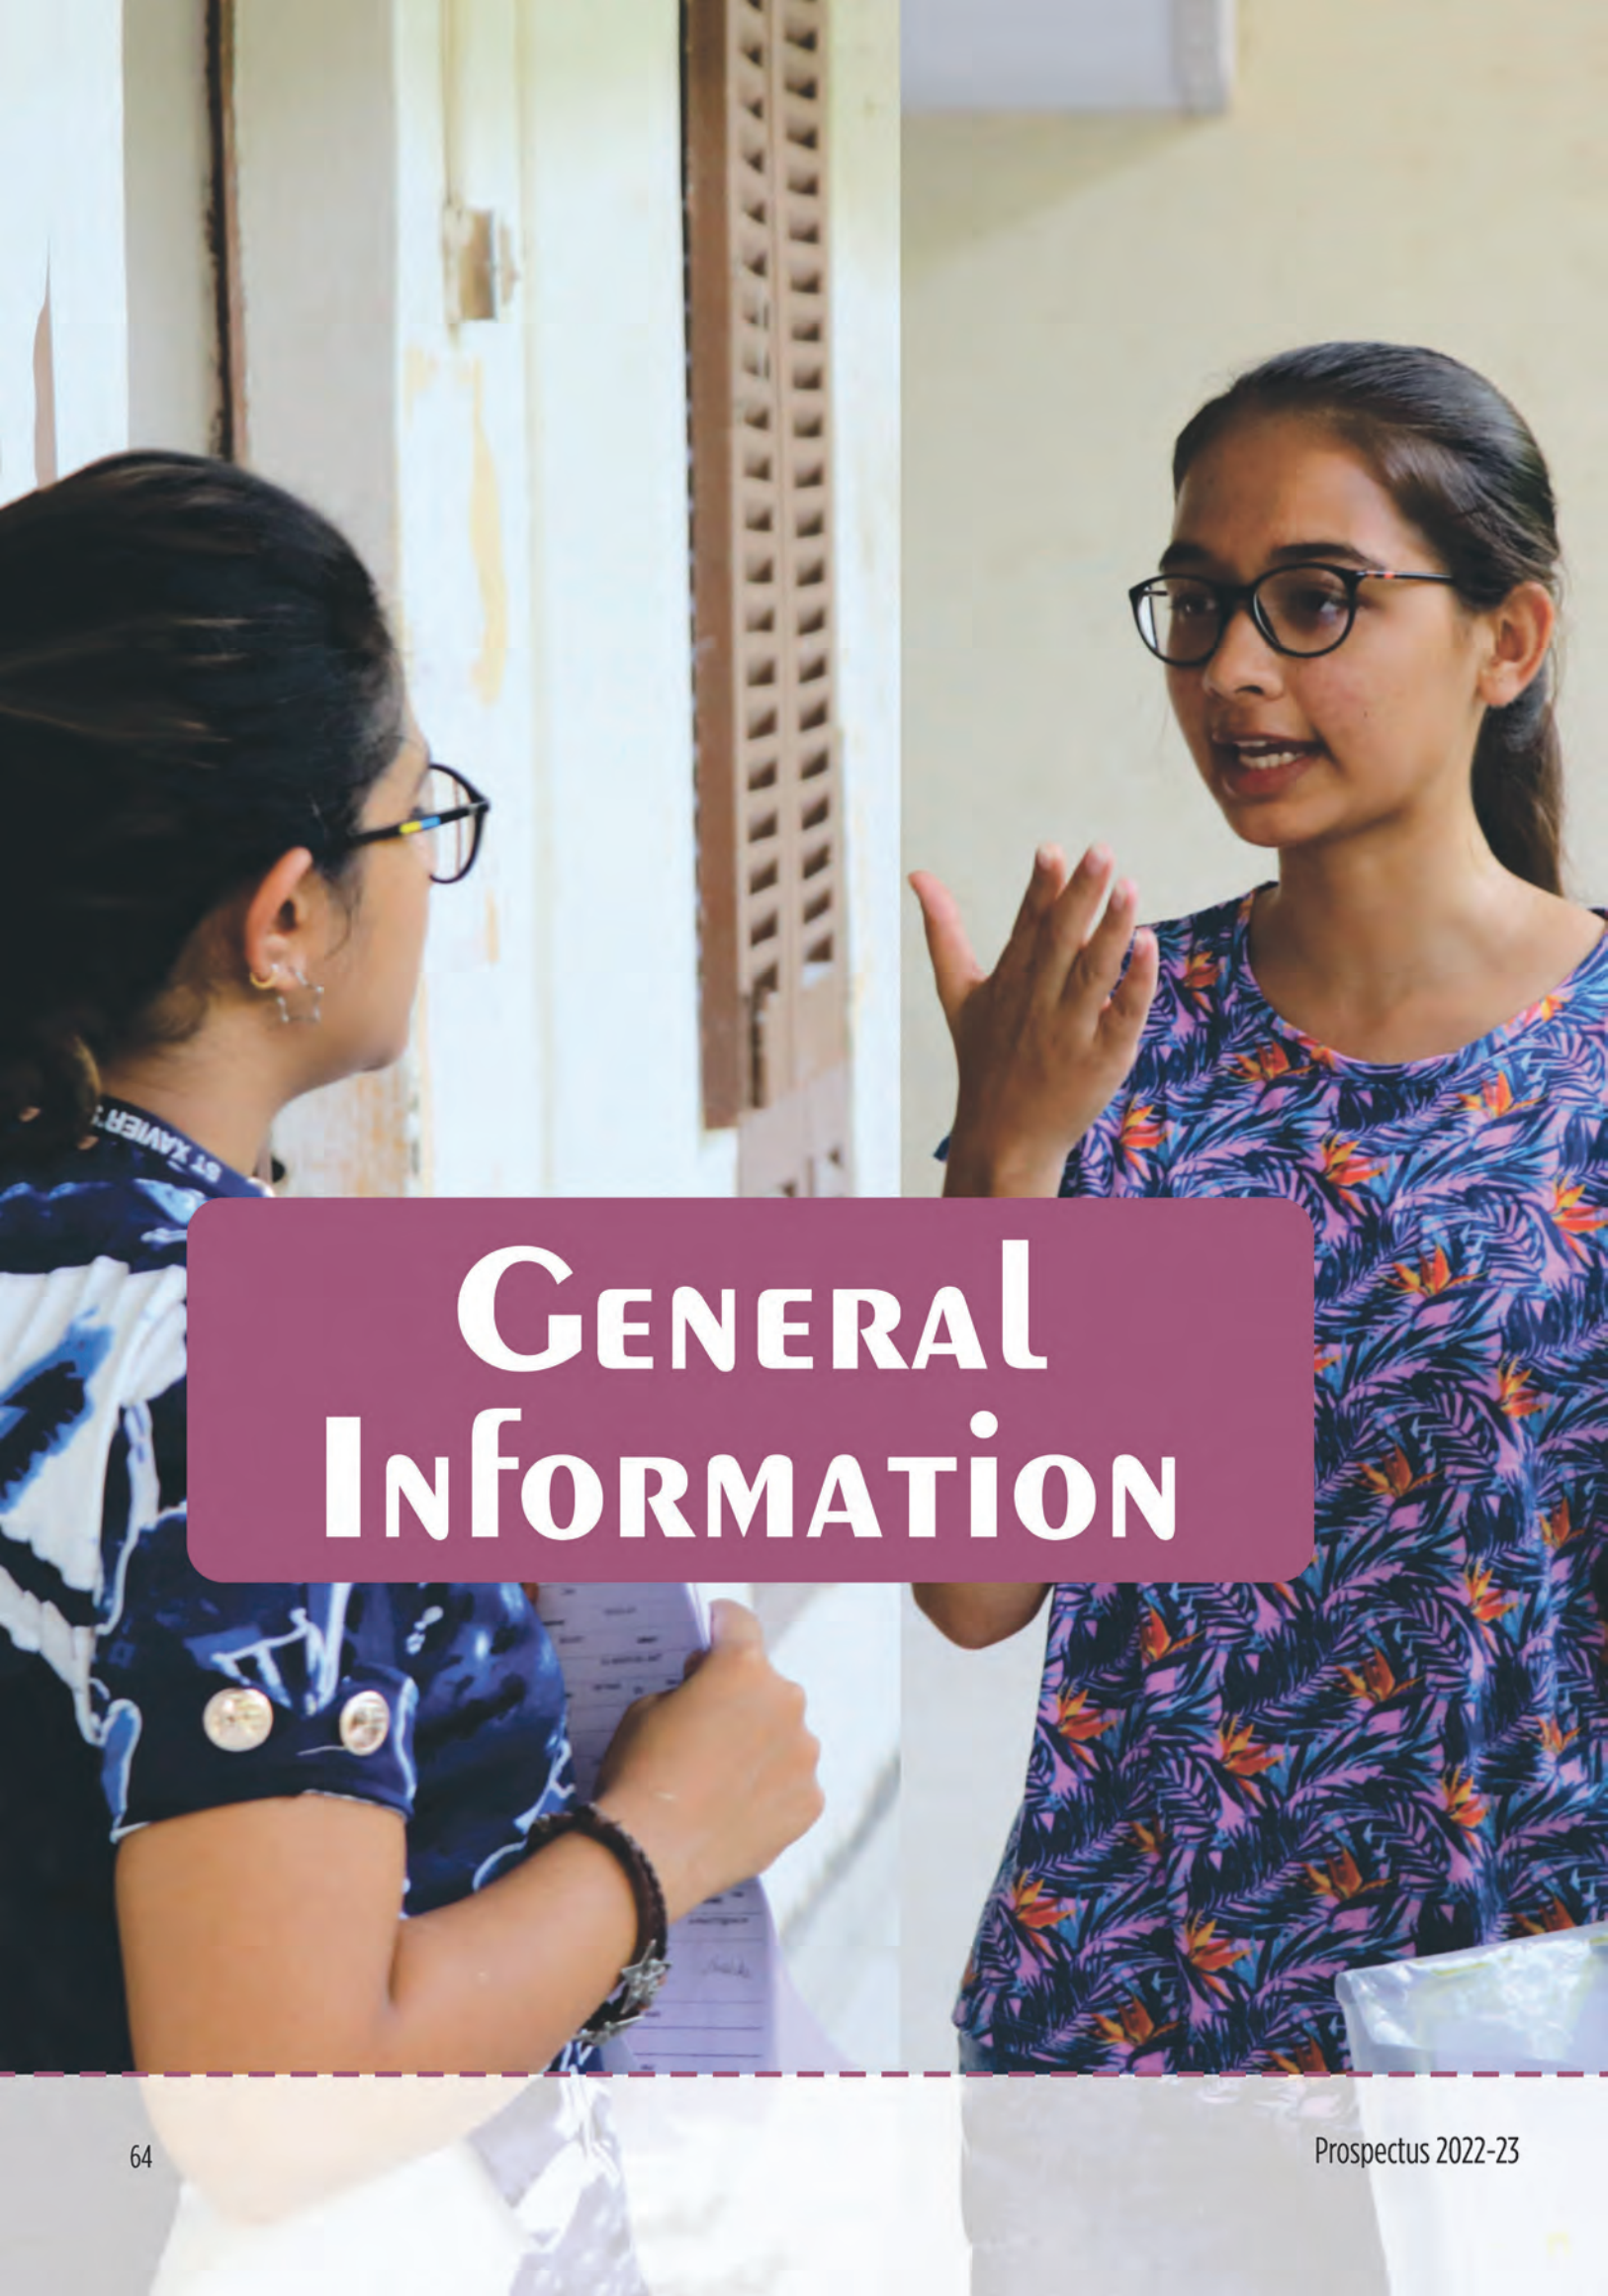

Refund of Fees

- Students of B.Sc. Semester 1 who provide proof (fee receipt) that they have secured admission to professional courses like Medical, Engineering, etc. are entitled to a refund of their fees according to Gujarat University Regulations (Ord.159/5) which are posted on the notice board.
- In the case of self-financed courses, kindly refer to refund rules mandated by St. Xavier's College (Autonomous), Ahmedabad posted on the notice board.
- Students of Vocational courses should deposit a security amount decided by the College at the time of admission. Please note that this amount is refunded on successful completion of the course **AND ON PRODUCTION OF THE PINK RECEIPT ISSUED** only. The refund claim for the security deposit must be made within a month after the successful completion of the course.
- Applications for refund should be made on the form available in the College office with photo copies of the documents justifying the request for refund within the prescribed time limit.
- Fees are not refunded to those who transfer to another undergraduate college or withdraw their admission.

Enrollment

It is the duty of every student admitted to Semester 1 at St Xavier's College and of every student admitted to other semesters from other universities, to fill the prescribed Enrollment form and submit it to the College office with their HSC examination certificates and two photocopies of their mark-sheets (for first semester students), and the mark sheet of the semester (with two photocopies) attended before joining St Xavier's College (for students from other universities). This procedure must be completed before the deadline issued by the Controller of Examinations /Principal, failing which the student will not be allowed to appear for the examination. It is the duty of every student to be on the look-out for notices concerning this matter, on the notice board and on ERP.

A photograph of two young women in conversation. The woman on the left is wearing a blue and white patterned shirt with 'ST XAVIER'S' visible on the collar and is holding a document. The woman on the right is wearing a purple and blue patterned shirt and glasses, gesturing with her hand. A large purple rounded rectangle is overlaid on the center of the image, containing the text 'GENERAL INFORMATION' in white.

GENERAL INFORMATION

General**The Academic Year**

The academic year of the College is divided into two semesters: from June 12 to November 10, and from November 11 to June 11, with a minimum of 90 teaching days in each semester.

Semester System

The undergraduate degree programme is of three years duration divided into six semesters, while the postgraduate degree programme is of two years divided into 4 semesters.

Academics

It is the quality of the teachers that makes an institution what it is worth. St. Xavier's College is blessed with a set of highly qualified teachers (70 per cent of them hold a PhD and 20 per cent are on the verge of submitting their PhD thesis). Although the remaining 10 per cent of faculty are not engaged in any formal research, they are excellent teachers, having served the institution for over 25 years already.

Teaching Methodology

Right at the beginning of a semester each teacher provides a unitised teaching plan to students. The faculty at St. Xavier's College use a variety of teaching methods. However, teaching methods differ from one teacher to another. Some of the teaching methodologies implemented include, class room lectures, youtube channel, power point presentation, use of ICT (Moodle), discussions, poster presentation, interaction with industry, visits to rural areas, slums, undergraduate research, regular class tests, debate, quiz and students' seminars, problem solving, case studies, online test, among others. At St. Xavier's, a teacher is always free to introduce any creative method to ensure learning has taken place. A teacher is also expected to give a challenging assignment to students for each paper and display the assignment marks before submitting these to the examination office. It is a practice in the College that all assessed papers are shown to students before the marks are submitted to the office. The faculty at St. Xavier's ensure that not only teaching but learning has also taken place.

Syllabi

St. Xavier's College is known for its quality education. It is natural that the College offers a challenging curriculum to students. Hence, the College has upgraded the syllabi

of all the subjects aligning the programme specific outcomes (PSO) and course outcomes (CO) with its vision and mission. As a process, the BoS in each department has deliberated on new developments in their field, formulated the course content, teaching – learning methodology, possible ways of assessment and quality assurance. Consequently, the BoS in each department has changed the syllabi with an addition of 20 percent over and above the current Gujarat University syllabi in all the subjects and has been mapped with the PSO and CO. The upgraded syllabi are given to students in a detailed unitised teaching plan for each subject.

Faculty Development

St Xavier's College has regular programmes for faculty development so that they give their best. Faculty are encouraged to attend refresher and orientation programmes, present papers at seminars, undertake research, publish papers, deliver lectures, undergo training programmes which improve their knowledge and competency. Faculty evaluation by the students is a regular feature. Faculty evaluation is done by the students at the end of each semester, and the feedback from students is communicated to the respective faculty. This is done in a cordial manner so as to help the faculty to become more efficient and productive.

Students' Attendance

Every student must have AT LEAST 75% physical presence in every paper in a semester. Students who fail to have at least 75% attendance in class will not be approved for the Semester end examinations. As a College of Excellence, St. Xavier's College has the right to insist on these standards. All students are herewith alerted that the 25% absence includes all situations, including medical and accident cases. Where practicals are concerned, all Xavierites must ensure that at least 75% of the required practicals are done by them, and their journals are duly signed by the faculty concerned. Journals with less than 75% experiments signed WILL NOT BE CERTIFIED. Students, whose journals are not certified are debarred from appearing for the end-semester examinations. Each department is authorised to debar such students from end-semester internal practical examinations.

A student must obtain a minimum of 75% attendance in each paper individually - Core / Allied Required / Allied Optional / General / Compulsory.

A student who has attendance between 60% and 74% may have to seek condonation from the Principal / Vice-Principal on grounds of illness or involvement in extra/co-curricular activities approved by the College.

- In case of illness, a student must submit a medical certificate along with an application for leave. Leave application must be submitted within three days of the student's return. Submission of leave application in itself will not ensure condonation.
- In case of extra/co-curricular activities, a student must obtain written confirmation of his / her participation from the concerned authorities: Head of Dept. / Director of College Societies / Director of Sports / Director of NSS / NCC officer-in-charge, countersigned by the Vice-Principal. When calculating the attendance percentage of the students representing the College in NCC and sports, due consideration will be given to the days when they so represented the College. Condonation request in each case must be in explicit written form authorized by the Principal / Vice Principals.
- A student, who is condoned will have to pay a condonation fee within the notified time period.
- A student will be debarred from appearing for the semester-end examination in the paper/papers in which he/she has less than the required attendance without condonation. A student so debarred may be permitted to appear for that paper on the condition that he / she satisfies attendance and Continuous Internal Assessment requirements. In the meantime, if there has been a change in syllabus, the student will have to appear for the CIA and semester examination in the revised syllabus.
- A student with overall attendance below 60% in a semester may be struck off the College rolls or he/she may be allowed to repeat the semester in the following academic year, at the discretion of the Principal or Vice Principals.
- Students who are absent from class for more than 5 consecutive periods are to obtain an excuse slip from the Vice-Principal. The name of a student who is continuously absent for 15 working days without submitting any information to the College will be struck off the College rolls. Medical certificates and other relevant documents of illness must be submitted to the Vice-Principal after getting necessary signature from the HoD.

Students' and Staff's Responsibilities

St. Xavier's College students must realize that they are the guardians of the traditions and ideals of this institute. Their conduct should at all times reflect their legitimate pride in their College. They should remember that they are expected to learn much more than just how to pass in examinations. They are trained to be critically aware of the true realities prevailing in our country. Since they are among the few who have access to higher education in India, they must acquire the appropriate skills and values that will transform our society.

Students should at all times respect and honour their professors. They are expected to greet them with respect whenever they meet them in the College or outside. Students are encouraged to know their professors and give the latter an opportunity to know them too. Students can contact their professors, who are available for consultation in the departmental staff room whenever necessary whether to discuss academics, get help for competitions, for guidance and counselling, or even a casual chat.

Students are expected to respect the authorities and teaching staff of other colleges when they have occasion to visit those colleges. Xavierites are encouraged to scrupulously observe the traditions and regulations of those institutions and refrain from any action that might disturb their peace and order.

Preservation of College property

Students of St. Xavier's College are expected to look upon College property (buildings, laboratories, equipments, classrooms, halls, grounds etc.) with special pride, and refrain from any action that would disfigure or damage them. Offenders in this regard will face disciplinary action as decided by the College authorities. Damages calls for restitution of the property affected to its original form. In this regard, the institution has the absolute right to recover financial compensation from the offenders.

Students, who inadvertently cause any damage to College property are expected to acquaint the Principal immediately with what happened. Such honesty is expected of a Xavierite and will be appreciated. This training will stand the student in good stead later on in life. In these situations it is the duty of the student to voluntarily make good the damage.

Students are expected scrupulously to respect the belongings of their fellow students. Should they discover any lost or forgotten articles, they should deliver them immediately to the College office. The office shall put up a notice regarding the lost property instructing the owner to collect it at the earliest. Students who are found in unlawful possession of another's property are liable to instant dismissal from the College.

General behaviour

As a student newly entering St. Xavier's College you should be aware that unlimited opportunities open up before you. The College has an eventful history that is sixty five years long. The traditions and values which have been developed and nourished over this period will now be protected and promoted by you. The preservation and enhancement of the recognition and reputation of the College is now your responsibility. You are expected to accept and carry out this responsibility. For the sake of good order and personal good conduct, every student is expected to observe the following regulations:

- Use of cell phones is strictly prohibited in the class, laboratory, library, and corridors. Offenders are liable to have their mobile phones confiscated by any professor. Confiscated phones will be delivered to the Principal's office and will be returned only at the end of the academic year, around the last week of April.
- Students are expected not to misuse the electricity of the College and loiter on the corridors.
- Students are expected to read the announcements on the notice boards every day, both on arrival at the College and before departing College.
- Ignorance of instructions posted on the notice boards / College website shall not be taken as an excuse for noncompliance of the same.
- Students are expected to regularly check their ERP, e-mailbox since information is communicated through students' college email ID.
- Students are required to wear their identity cards on their person at all times.
- Students, who have legitimate grievances are encouraged to place these before the Principal personally or through the suggestion box placed in the corridor outside the College office and in the library.
- Every department is expected to organize a subject society. All students opting for a subject as their major are ipso facto members of the subject society. Students wishing to form any other associations in the College must make a written proposal to the Principal and obtain a written permission for the same.
- All invitations to resource persons for any lectures, demonstrations, trainings and workshops go out in the name of the Principal. When any professor or Head of the Department initiates an invitation they must have it countersigned by the Principal.
- All tours / picnics / excursions of any class or society or association must be arranged with the prior written permission of the Principal, a lady staff member is mandatory if girls are part of above events. Such permission shall not be granted unless a professor or staff member takes responsibility and accompanies the students for the same. As a standard practice, the staff accompanying the students must submit the names of the students going on a tour / picnic / excursion with the mobile numbers of their parents / guardians. This is expected in view of any emergency that may occur.
- The organizers of class get-togethers must contact the College office to book the venue. They must abide by the rules laid down in the 'application form'. No outsiders are allowed to take part in these events.
- Students are not allowed to organize gatherings outside college without written permission of principal.
- The watchman at the parking lot is authorized to enforce discipline. Students' four-wheelers are NOT allowed on campus.
- The College takes no responsibility for the loss of vehicles. Students are advised to have their vehicles securely locked, chained and parked at the parking lot.
- Good civic sense demands that cars and motorcycles are not parked on the pavement outside the College. Please note that those who continue to park their vehicles on the pavement outside the College bring disrepute to the College. This uncivilised behaviour will invite a heavy fine either from the Police department or from the College.
- Students of St. Xavier's College who misbehave at another College or at any public place, or who bring discredit in any way upon themselves or this College, are liable to instant dismissal.
- New students are to be given a welcome with respect and affection. Any type of harassment, ragging or misbehaviour will be dealt with sternly, according to the guidelines of the UGC and the Government. Any

incident of ragging must be brought to the notice of the Principal / Vice-Principals / Coordinator of CW DC.

- *The entire College is a "No Smoking Zone". Smoking/chewing tobacco anywhere on the College premises is strictly prohibited.*
- *We believe in zero tolerance of violence of any kind on campus. The Principal reserves the right to hand over such students to the police and file an FIR.*
- *Corruption of any kind is not acceptable in our system. If it is perceived at any level in the College it is the duty of every Xavierite to bring it to the attention of the authorities.*
- *Every student is expected to take interest in studies and departmental activities. S/he should develop punctuality, respect for teachers and elders, awareness of social conditions in order to develop a compassionate and proactive response to them, adherence to secular values and ideals, a scientific outlook, interest in cultural activities, sports and games.*
- *Decency in dress and decorum in behaviour is to be maintained. Students must come to College in simple and unostentatious dress suitable for an academic environment.*
- *Health and safety rules are to be strictly obeyed.*
- *Improper sexual conduct will also be treated as a serious offence.*
- *The College computer system must not be tampered with in any way.*
- *Use of drugs / alcohol is strictly prohibited in the College.*
- *Bringing outside guests / friends to the College is strictly prohibited.*
- *When you leave the class room switch off all the fans, lights and ACs.*

Identity Card

- *Each student is provided with an Identity Card which has to be carried by the student in college.*
- *Exchange or lending of Identity Card is a serious offence.*
- *If the Identity Card is passed on for use to anyone else, the owner of the card will be held responsible for any damage or loss caused by the user.*
- *Show your Identity Card at the gate when entering College.*

- *The Identity Card is to be presented when borrowing books from the library, playing games, attending College functions, during examination etc.*
- *If the Identity Card is lost, the Vice-Principal must be immediately informed. A new Identity Card may be issued on payment of Rs. 250/-*
- *In case of transfer or withdrawal from the College, the Identity Card must be returned to the College office.*

Notice Board/College website for dissemination of information

General information and important announcements are made available through the College notice boards / website (www.sxca.edu.in). The rules may be amended from time to time and the students will be informed of that through notice boards or website or both.

The notice board must be read every day on coming to, and before leaving, the College. No excuse will be entertained if notices on the board are ignored or not read.

Posters

No poster is to be pasted or fixed with cello tape anywhere on the College walls. For any writing on walls, strict punishment will be imposed.

Class Rooms

The College class rooms should not be used for private study outside College hours.

Games

No (outdoor or indoor) games are to be played anywhere in the College premises during College hours.

Change of Address

The College office should be informed of any change of address and phone number after admission is completed.

Correspondence with the College

- *All correspondence should be addressed to the Principal / Vice-Principal, St. Xavier's College (Autonomous), Navrangpura, Ahmedabad-380009.*
- *In all correspondence with the College it is necessary to state the student's name, roll number and semester.*

EXAMINATION

Chief Controller of Examinations

Dr (Fr.) Lancelot D'Cruz S.J.

Controller of Examinations

Dr. Nirmal Desai

MembersDr (Fr) Johnson Mundupuzhakal, S.J.
Vice Principal, Self Finance CoursesDr Udayan Prajapati
Senior FacultyDr Pinky Desai
Senior Faculty**Administrative Assistance**Ms Ankita Mistry
Ms Poonal Jitiya
Ms Divya Patel**Examinations**

- 1 St. Xavier's College spaces out its regular examinations in an academic session in to internal and external assessment, with the assessment scheme being 30:70 in its weightage, respectively for all UG programmes and 40:60 assessment scheme for all PG programmes.
- 2 The internal assessment comprising 30 marks is distributed into two continuous internal assessment (CIA1 & CIA2), attendance, assignment class test, quiz, viva voce, seminar, comprehension (listening and reading), problem solving, group discussion, field visit, essay writing, library record, open book exam, case study, online test etc. The first 50% syllabus is evaluated in CIA1, while the remaining 50% is evaluated in CIA2. The break-up of these 30 marks is as follows:

	Examination Marks	Internal Marks	Internal Marks*
Mid-Semester (CIA-1)	50 marks	10 Marks	15 Marks
Semester End (CIA-2)	50 marks	10 Marks	15 Marks
Assignments, Seminars, class tests etc.		5 Marks	-
Attendance		5 Marks*	-
Total		30 Marks	30 Marks

Note: A student requires 11 marks to pass in each paper in the internals.
*Attendance marks will be awarded according to the calculation given in the next table.

Covid-19 Resolution

Break-up of marks for attendance:

96-100 % attendance	5 Marks
91-95 % attendance	4 Marks
86- 90 % attendance	3 Marks
81-85 % attendance	2 Marks
75-80% attendance	1 Mark
Below 75% attendance	0 Mark

2.1. Soft Skill, Foundation Courses, and Elective Courses are compulsory programmes offered in every semester. CIA -1 of these courses are conducted out of 50 marks and 50% of this is taken for internals, while 5 marks is assigned for regularity, assignments, class tests etc. The final examination is conducted out of 70 marks during CIA-2. Subject electives follow the pattern of core papers.

- For Computer Methods in Humanities:

The CIA I will have a theory exam for 50 marks and CIA 2 will have a theory paper of 50 marks and practical paper of 50 marks. These 150 marks are then computed to 20 marks for internals, 5 marks for assignment, and 5 marks for attendance in Practical sessions.

2.2. A student whose attendance is less than 75% will be retained. S/he will have to take the internal (CIA-2) as well

as semester end examination in the next appropriate semester.

- A student, who fails to obtain qualifying marks in internal examinations, will be treated to have an internal arrears paper. The student will have to appear for the arrears paper in the next appropriate semester but will be permitted to appear for the semester end examination component.
- The Controller of Examinations will inform the students about the CIA schedule at the beginning of the semester. Final CIA results will be available on College ERP Portal.
- A minimum of 75% practicals must be done before appearing for the CIA (Internals) practical examinations, failing which a student must complete the required number of practicals in consultation with the HoD of the department and appear for the practical examination in the next appropriate semester.

3 Eligibility for semester end examination

- A student must have at least 75% attendance in each paper. Condonation may be granted by the Principal for valid reasons.
- A student must obtain a minimum of 11 marks in CIA (Internals).
- A student must pay the examination fee and submit the examination form before the notified last date. However, only those students who fulfil the eligibility criteria will be issued Admit Card for the semester end examination.
- A student who has any disciplinary charge against him / her may not be permitted to appear for the semester end examination.
- The semester end examination is conducted for 70 marks, and passing marks is 36% or 25 marks out of 70 in each paper.
- The Controller of Examinations (CoE) will have the following Standard Operating Procedure :
 - a. Ask from each department the list of courses offered.
 - b. Issue semester examination application forms.
 - c. Prepare the examination time table.
 - d. Send communication to the HoD of each department for question paper setting.
 - e. Prepare the seating arrangement/hall ticket/list of students for the semester examinations: session-wise/date-wise/paper-wise.

- f. Send information to internal examiners about their evaluation work.
- g. Prepare question papers date-wise / session-wise in the CoE office.
- h. Conduct the semester examinations. The Vice-Principal/s will be the Chief Superintendent.
- i. Internal/external evaluation.
- j. Enter the CIA and end semester marks in the Register manually, and in the computer as well.
- k. Take the semester mark sheets print out from the computer and verify with the Register to crosscheck the entries.
- l. Semester mark sheets and the final end semester mark sheets will be distributed by the CoE Office.

4 Scrutiny Board and its functions

- The Scrutiny Board for U.G. & P.G. courses will consist of the Head, the senior most member of the department, and one more permanent member. This third member will be appointed every year on rotation. The department with less staff members can take help from the IQAC coordinator and Vice Principals of Arts and Science.
- The HoD is requested to get a consensus on the appointment of external and internal paper setters for each subject in the Scrutiny Board meeting and proceed towards procuring the papers in the stipulated time.
- The Scrutiny Board will look into the following aspects of the question paper;
 - a. All portions of the syllabus are covered.
 - b. The questions are evenly distributed over the entire syllabus.
 - c. The question paper is structured.
 - d. The question paper is of the expected standard.
 - e. There are no repetitions.
 - f. The questions are clearly worded without any ambiguity.
 - g. Marks distribution is mentioned in each section of the question paper.
 - h. If corrections are effected in the question paper, carry these out correspondingly in the key/solution.

5 Evaluation of Answer Sheets

- Evaluation of semester end examinations of Semester I to VI at UG and semesters I to IV at PG level will be carried out in the following manner: i) for core papers, evaluation will be carried out by external

/ internal examiners, and ii) for other papers: evaluation will be done by internal examiners.

- Remuneration for question paper setting and evaluation is at par with the Gujarat University, or higher in many cases.
- Any malpractice will be dealt with by the disciplinary committee set up by the CoE once the examination is over.
- A Passing Board will be constituted once the results are ready and appropriate decision will be taken regarding gracing, if any and CoE office will publish the results on the Website as well as in ERP Login within three days of the meeting of the Passing Board.

6 Regarding Repeaters and Grievances

The following procedure will be followed with regard to repeaters and re-evaluation:

- Repeaters who have a backlog in any of the subjects in the odd semesters (I, III and V) can appear for the same during the next odd semester end examinations. Similarly, repeaters who have a backlog in any of the subjects in the even semesters (II, IV and VI) can appear for the same during the next even semester end examinations.
- In case of a request for re-evaluation of the answer sheets, through an application, re-assessment of the answer sheets for semesters I to VI at UG, and all semesters at PG will be done and students can be benefitted if there is a difference of more than ten marks between two evaluations. A scanned copy of the answer sheets will be made available, on request, with a fee of Rs. 200/-.
- On completion of the degree programme, the Cumulative Mark Sheet (CMS) will be provided to students as it may help those opting for further studies abroad.
- Only after a student completes his/her degree programme will the result be sent to Gujarat University for awarding the degree.
- Students who have failed in any semester examinations have to clear the respective examinations. Such students should fill the repeater's examination forms available in their ERP Login (online) within the specified period.
- These examinations are held in November / April. Students are expected to check details about these forms and examinations from the College office, as well as from CoE's office. PLEASE NOTE THAT THE

COLLEGE WILL NOT SEND INDIVIDUAL NOTICES REGARDING REPEATER'S EXAMINATIONS TO STUDENTS.

- Students should make inquiries in the College office regarding the submission of repeaters' forms, during:
 - a. The 1st week of September / October for the November / December examinations.
 - b. The 1st week of February / March for the April / May examinations.
- Those students who have to appear for the internal examinations of the previous semesters must also fill the appropriate forms before the semester end examinations of the College.
- The College will withhold the examination results of those who fail to clear their previous semester examinations. Those who have failed in the semester examination due to insufficient internal marks will have to reappear for the internal examinations arranged before the end of the next semester.

7 Arrear Papers

- An arrear paper is one in which a student fails to secure the minimum pass marks.
- Arrear paper may arise either because of failure or lack of attendance. This will be indicated in the semester mark sheet as well as in the Consolidated Mark Sheet.
- A student will be permitted to appear for an arrear paper in the next appropriate semester.
- The number of arrear papers in Core and Allied papers will be taken into consideration to determine if a student qualifies for the next semester.
- For papers, which contain theory and practicals, a student will have to pass in theory as well as practical sections, separately, regardless of whether theory and practical are components of the same paper or treated as separate papers. However a student will have to appear in the next appropriate semester only for the part (theory or practical) in which s/he has failed/ remained absent.

8 Grace Marks

Grace Marks for Passing in each head of passing (Theory/Practical/Oral), (External/Internal)

The examinee shall be given the benefit of grace marks only for passing in each head of passing, (Theory / Practical / Oral) in External or Internal examinations in the following manner, provided: (a) benefit of such gracing marks given in different heads

of passing shall not exceed 1% of the aggregate marks in that examination, (b) this gracing is concurrent with the rules and guidelines of professional statutory bodies at the All India level such as AICTE, MCI, Bar Council, CCIM, NCTE, UGC etc.

Head of Passing	Grace Marks up to	Head of Passing	Grace Marks up to
Upto- 50	2	251-300	7
51-100	3	301-350	8
101-150	4	351-400	9
151-200	5	401 & above	10

8.1 Grace Marks for getting distinction in the subject.

A candidate who passes in all the subjects' heads of passing in the examination without benefit of either gracing or condonation rules and whose total number of marks in the subject/s falls short by not more than three marks for getting distinction in the subject/s shall be given necessary grace marks up to three in maximum two subjects, subject to maximum 1% of the total marks of that head of passing whichever is more, in a given examination, provided: (a) benefit of the above mentioned grace marks shall be given to the candidate only for such examinations for which provision for distinction in a subject has been prescribed, (b) this gracing is concurrent with the rules and guidelines of professional statutory bodies at the All India level such as AICTE, MCI, Bar Council, CCIM, NCTE, etc.

8.2 Grace marks for getting higher class

A candidate who passes in all the subjects and heads of passing in the examination without the benefit of either gracing or condonation rules and whose total number of marks falls short for securing second class/higher second class or first class by not more than 3 marks shall be given the required marks to get the next higher class or grade as the case may be, provided: (a) benefits of above mentioned grace marks shall not be given if the candidate fails to secure necessary passing marks in the aggregate head of passing also, if prescribed in the examination concerned, (b) benefits of above mentioned grace marks shall be given to the candidate for such examinations only for which provision of award of

class has been prescribed, (c) this gracing is concurrent with the rules and guidelines of professional statutory bodies at the All India level such as AICTE, MCI, Bar Council, CCIM, NCTE, etc.

8.3 Condonation

If a candidate fails in only one head of passing, having passed in all other heads of passing, his/her deficiency of marks in such head of passing may be condoned by not more than 1% of the aggregate marks of the examination or 10% of the total number of marks of that head of passing in which he/she is failing, whichever is less. However condonation, whether in one head of passing or aggregate head of passing will be restricted to a maximum of up to 10 marks only. Condonation of deficiency of marks will be shown in the Statement of Marks in the form of an asterisk and the Ordinance number, provided this condonation of marks is concurrent with the rules and guidelines of professional statutory bodies at the All India level such as AICTE, MCI, Bar Council, CCIM, NCTE, etc.

9 Notes for Ordinances on Grace Marks

- If a candidate fails in a head of passing, which is included in another head of passing, of the same subject, s/he shall be entitled to the benefit of the condonation in both the heads, if necessary, subject to the maximum limit of condonation permissible.
- If a deficiency of marks is condoned, the class/grade in the examination concerned of the candidate shall be declared on the actual marks obtained by the candidate.
- The benefit of not more than one Ordinance shall only be given for one examination of one course.
- The benefits of above mentioned Ordinances may be given to the candidate appearing in the examination with backlog and/or exemption whenever such an exemption/system of backlog has been provided.
- The benefits under above mentioned Ordinances shall be given at the time of declaration of final examinations only.
- Final examination for the purposes of these Ordinances means and includes such examination/s on the basis of marks on which class/grade is awarded.

10. Rules for conducting examinations

- *The College does not hold any re-tests. Students who do not appear for any given examination will lose their internal marks in the same.*
- *Since CIA examinations are treated at par with the semester end examination system, students who remain absent for personal reasons (including sickness, travel, family problems, marriage etc.) will forfeit their marks.*
- *Pro-rata marks will be granted to those who cannot appear for a given examination on account of representing the College/University at an event or competition, provided they have the permission from the Principal for the same and produce the relevant documents.*
- *Any student found using unfair means in an examination will be given a 'zero' in the given paper, and may be asked to leave the College in the following semester. The penalties imposed by the discipline committee will be final and binding on the student. Students must not carry personal items (books, notes, purses, mobiles, smart watches etc.) into the examination hall. They must check their desks/seats before the examination begins to make sure that there is nothing to indicate an attempt was made to use unfair means. This responsibility is an absolute one, and no excuse will be entertained by the committee when disciplinary action follows.*
- *Students are not permitted to leave the examination hall during an examination. Any student leaving the hall will be considered to have completed the examination and will not be allowed to re-enter.*
- *Students who boycott any examination will forfeit their marks and will face disciplinary action.*
- *After each set of examinations, the mark sheets will be displayed for a few days on the departmental notice boards. Students are expected to keep track of their marks in each subject.*
- *Internal marks are declared at the end of the semester on the College ERP Portal. Students will be given three days time to alert the College office if they find any discrepancies in the marks and/or if they have any requests to make. No appeals will be entertained after this time period. After due consideration of the appeals and justifiable corrections, the list of the final internal marks will be made public on the College website. It is advisable that students keep a written personal record of all their marks with respect to CIA and semester end examinations.*

- *The statement of marks is issued to parents or guardians at the end of the semester if a written request is made and submitted to College office.*

11. Misconduct during examinations

- *On receipt of a report regarding the misconduct of any student at semester end or CIA examinations, including breach of any of the rules laid down by the Examination Committee for the proper conduct of examination or a student indulging himself/herself in any activity which either intimidates or instigates other students for not appearing at any CIA or semester end examination or disturbing or attempting to disturb any CIA or semester end examination, the Disciplinary Committee shall have the power to deal with such misconduct in any one or more of the following ways :*
 - a. *Debarring such a student from any semester end or CIA examination either permanently or for a specified period;*
 - b. *Restraining the student from taking admission to or attending any course of studies in the College;*
 - c. *Restraining the student from taking admission to any Convocation for the purpose of conferring degrees;*
 - d. *Cancelling the result of such a student;*
 - e. *Cancelling or withdrawing scholarships, if any, held by him/her;*
 - f. *Cancelling award prize and/or medal, if any, awarded to him.*
 - g. *The decision of the Disciplinary Committee as to what constitutes misconduct for the purpose of punishment shall be final.*
 - h. *The Examination Committee shall have the power to exclude any candidate from a semester end examination on being satisfied that s/he is suffering from an infectious or contagious disease. Whenever any candidate is thus excluded, the fee paid by him/her for admission to the examination shall be refunded to him/her.*
 - i. *Even after the result of an examination has been ascertained and published if it is found that such result has been affected by any malpractice, fraud or any other improper conduct whereby an examinee has been benefited, and that such examinee has, in the opinion of the Disciplinary Committee, been party or privy to, or connived at such malpractice, fraud or improper conduct, the Disciplinary Committee shall have power at any time, notwithstanding the issue of a certificate or*

the award of a prize or scholarship, to amend or cancel the result of such examinee or to punish such conduct by exclusion of such examinee from any semester end or CIA examination, either permanently or for specified period, or by the deprivation of any scholarship held by him/her, or by the cancellation of the award of any prize or medal to him, or any two or more of the aforesaid ways and to make such declarations as the Disciplinary Committee may consider necessary in that regard.

12. Continuation from 1st year to 2nd year/ 2nd year to 3rd year

12.1. Qualifying for 2nd Year (Semester III):

Considering all the papers of semester I and II taken together, a student must pass in at least 50% of all papers/obtain 50% of total credits in Core/Allied/General/Compulsory separately. The theory and practical components of composite papers will be counted separately to calculate eligibility of this student for promotion.

12.2. Qualifying for 3rd Year (Semester V):

Considering all the papers from semester I to IV taken together a student must pass in at least 75% of all the papers/obtain 75% of total credits of semesters I to IV taken together of total credits in Core/Allied/General/Compulsory papers separately. The theory and practical components of composite papers will be counted separately to calculate eligibility of this student for promotion.

- A student who fails to qualify for 2nd/3rd year may be permitted to re-enrol in the next academic session in the appropriate semester either as a casual or as a regular student.
- A student who has adequate attendance will be re-enrolled as a casual student. A casual student will have to appear only for arrear paper/papers in the semester examination. A casual student will not be allowed to appear for CIA as his / her previous CIA marks will be carried forward.
- A casual student will have to pay only a re-enrolment fee and the examination fee.
- A student who has been detained on the basis of insufficient attendance in any paper/papers in any semester of 1st/2nd/3rd Year, and who does not satisfy continuation criteria, will be allowed to re-enrol as a regular student. Such a student will be permitted to appear for CIA for the appropriate

paper. In the meantime if there has been a change in syllabus, the student will have to appear for the CIA and semester end examination in the revised syllabus. A regular student will have to attend classes only in those papers in which insufficient attendance occurred and appear for semester examinations in the arrear papers.

- A regular student will have to pay tuition fee, session fee and laboratory fee.
- Re-enrolment of a student with disciplinary charges against his/ her name will be separately considered.
- Student who fails to clear their UG and PG in the stipulated time period may be granted additional 3 and 2 years respectively to get the degree.

13. Credit and grading system

- Conversion of marks to Grade Point and Letter Grade (Performance in a paper/course) UG (Under Graduate) & PG (Post Graduate):

Range of Marks	Grade Point	Letter Grade	Attribute
85-100	8.5-10	O+	Outstanding
75-84.99	7.5-8.49	O	Excellent
70-74.99	7.0-7.49	A+	Distinction
60-69.99	6.0-6.99	A	Very Good
55-59.99	5.5-5.99	B+	Good
50-54.99	5.0-5.49	B	Fair
40-49.99	4.0-4.99	C+	Average / Satisfactory
36-39.99	3.6-3.99	C	Pass
00-35.99	00	U	Reappear
Absent	00	AAA	Absent

- The credits completed as well as grades received by a student in certificate or diploma courses offered by the College, will be shown in the credit and grade sheets issued by the College as per the norms mentioned by the Controller of Examinations for this purpose. These will be shown as additional grades.
- Award / Degree (For B.Sc. / B.A / BCA / B.Com / MA / M.Sc.)
 - Overall performance based on CGPA (Cumulative Grade Point Average):

CGPA	Grade	Classification of Final Result
8.5 and above	O+	Outstanding
7.5 and above but below 8.49	O	Exemplary
7.0 and above but below 7.49	A+	First Class with Distinction

CGPA	Grade	Classification of Final Result
6.0 and above but below 6.99	A	First class
5.5 and above but below 5.99	B+	Higher Second Class
5.0 and above but below 5.49	B	Second Class
3.6 and above but below 4.99	C	Pass Class
0.0 and above but below 3.59	U	Reappear

- b. First Class is awarded for aggregate marks of 60% or above.
- c. Second Class is awarded for aggregate marks between 50% and less than 60%.
- A rank certificate will be issued to students who secure between 1st and 10th rank in the respective course and pass all the papers at the first attempt.

14. Standard of passing

- To pass a course, a student must obtain a minimum of 36% marks for each course where the course consists of internal assessment and semester end examination. A student must obtain minimum of 36% marks (i.e. 11 out of 30) in the internal assessment and 36% marks in semester end Examination (i.e. 25 out of 70), separately, to pass the course, and a minimum of Grade C wherever applicable to pass a particular semester. A student will be said to have passed the course if s/he passes both the internal assessment and semester end examination.
- A student who is absent for the CIA I and II will be declared fail in the internal assessment scheme.
- Under no circumstances will a student be allowed to give semester end practical examination without a certified journal. If a student is absent for the semester end practical/internal practical examination and passes all other internal assessment examinations, s/he will not be given a chance to give additional practical examination and will be declared fail. However, the journal if certified can be carried forward to the next semester.
- Minimum criteria to certify a journal is 75% of the total practicals done in the semester. If a student falls short of this but has performed at least 60% of the practicals s/he may be given extra practicals by the respective department.
- Carry forward of the marks in case if a student fails in one or more courses
 - a. A student who passes in the internal examination but fails in the semester end examination of the course shall reappear for the semester end examination of that course. However his/her marks of the internal examinations shall be carried

over and s/he shall be entitled for the grade obtained by him/her on passing.

- b. A student who passes in the semester end examination but fails in the internal assessment of the course shall reappear for the internal examination of that course. However his/her marks of the semester end examination shall be carried over and he/she shall be entitled for the grade obtained by him/her on passing.

15. Allowed to keep terms and eligibility for admission to the next semester

- Eligibility for admission to First Year/Semester II: A student shall be allowed to keep term for semester II irrespective of number of the courses s/he has failed in the semester I.
- Eligibility for admission to Second Year/Semester III: A student shall be allowed to keep term for semester III if s/he passes semesters I and II (Sec:12.1).
- Eligibility for admission to Second Year/Semester IV: A student shall be allowed to keep term for semester IV irrespective of the courses s/he has failed in semester III.
- Eligibility for admission to Third Year/Semester V: A student shall be allowed to keep term for semester V if s/he passes semesters I, II, III and IV (Sec:12.2).
- Eligibility for admission to Third Year/Semester VI: A student shall be allowed to keep term for semester VI irrespective of the courses s/he has failed in the semester V.
- A student can appear for semester VI examination (subject to the above) but the result of semester VI shall be kept in abeyance until s/he passes all the exams in semesters I, II, III, IV and V.

16. Mark sheet, Migration certificate, etc.

- Mark sheets and grade sheets will be issued by the College separately.
- For a student who has been debarred due to lack of attendance, his/her migration certificate will be issued only after the completion of the course.
- Graduation Ceremony will be held in September.

17. Final degree certificate

The final degree will be awarded by Gujarat University. The name of the College will also be mentioned in the Degree Certificate.

18. Certificate verification, Digital WES and Transcripts

St. Xavier's College Ahmedabad offers online education verification, Digital WES and Transcript Request from students, educational institutions and employers. This is to ensure genuinely and quickness of meeting your requirement digitally. Use <https://sxca.directverify.in>.

RESEARCH

Research at Xavier's is seen, heard and felt in its rallying cry. Three decades of research culture is today intertwined in the curriculum as small modules and dissertation projects. Moreover, an undergraduate research programme for select students under the guidance of various faculty members is now an integral system in place. These initiatives have broadened the horizons of ideas, thoughts, planning and experimentation – “An environment to think out of the box to create a better world”

Research connects basic to applicability, complex to simple, socioeconomic growth to education. An experiential learning that gives our faculty and students a competitive edge in understanding and designing experiments, analyzing data and interpreting, it is now one of our best practices to enhance employability and create a stimulating environment for learning. Under the aegis of the Autonomous System, a non –statutory committee for Research looks into the efficient functioning of the research modules along with allocating budgetary help and developing infrastructure.

Recognition of the hard work, perseverance and commitment is in the fabric of the research culture, as each Academic Year, there is an Annual Research Award Ceremony for students, Staff Research Seminar and release of 'The Research Annals of Xavier's', a publication with an ISSN number-2582-256X. Moreover, several of our undergraduate students have also had their work published in peer reviewed journals.

This training and exposure has led to many of our students opting for research as a career.

Currently the college has the following facilities for faculty and students:

Theoretical Physics Laboratory (TPL)

- The theoretical Physics Laboratory was set up in 2013 to cater to the need of theoretical physicists in the College. Housed in a single room facility, the lab has no boundaries to some impressive research successfully, as seen in the many publications since its inception.

In-Xitu

- In-Xitu, a simulated student run company, has been set up to train Bioscience students in the nuances of Plant Tissue Culture with an extension of developing entrepreneurial skills. Students of Vocational

Biotechnology carry out plant tissue culture not only as part of the curriculum but also to market their products. Their challenge is in marketing a concept based product and not a utility product. The lab also organizes workshops and trainings for neighboring college and school students as an extension component. Faculty and students of other institutions have taken up In Xitu as a case study, which in turn is a benefit due to the recommendations made in the study.

DEXIC

- DEXIC (Developing Entrepreneurs of Xavier's Industrial Chemistry) is a unit set up to give experiential learning to students of Industrial Chemistry. The unit is engaged in producing colourful candles, detergents and other cleaning agents as an outcome of their classroom learning. The unit also conducts training programmes for students of other colleges. The success of this programme is in the fact that several interns are today entrepreneurs, with their startups doing very well.

Xavier Laboratory for Research and Development (XLRD)

- The facility was set up in 2014. This is a centralized laboratory facility to cater to the needs of all Biosciences departments. The laboratory has the following equipment available for research: Gradient Thermocycler, Electrophoretic system, PAGE, Blotting systems, Refrigerated centrifuges, High volume Centrifuges, High Performance Thin Layer Chromatography, Gel Documenting system, Precision Water bath, Laminar Air Flow, Spectrophotometer, UV Trans-illuminator, High Precision Balance, Cryocans, Sonicator, Fluorescent Microscope, Infra-Red Spectroscopy. A Microplate Reader is a new addition.

Cell Culture Laboratory

- This laboratory has been established in 2019 with the support of College of Potential Excellence grant. The laboratory infrastructure will enable upgrade research as animal cell culture has become a significant and multifarious application in the bio sciences. The laboratory will enable studies in cancer biology, toxicology, preliminary efficacy testing of plant extracts, antibiotics, drugs etc.

Super Computer Lab

- This laboratory was set up to house a computer with high computing facility which was procured with DST

funding. Several publications and international collaborations have been established based on this new laboratory.

Xavier Central Instrumentation Lab

- The facility was setup in 2017 with DST-FIST to promote multi disciplinary research.

Collaborations

- The College has established collaborations with different institutes. Students go to premiere institutes for internship and research. Faculty members are investigators in Joint Research Projects. Research funding from CSIR, UGC, DST, GUJCOST etc. have enabled employing Junior Research Fellows, Project Assistants and strengthening research infrastructure.

Co-Curricular Activities

Personal Growth Oriented Programme (PGOP)

St. Xavier's College offers a unique programme, popularly known as PGOP, to its students in all semesters. PGOP involves a variety of activities: group discussions, role-plays, poster-making, multi-media shows which focus on interesting topics that create awareness of, and respect for human values and thus enrich the personality of the students. This programme, designed by the Campus Ministry helps the students free themselves from personal inhibitions, discover their inner potentials, gain self confidence and build a better self-image.

Career Oriented Programmes (COP)

St. Xavier's College received permission from UGC to introduce certificate, diploma, and advanced diploma courses under Career Oriented Programme (COP). Main objectives of these courses are to cater to the growing need of the industry and corporate sector, and also to develop entrepreneurs. At present there are fifteen courses offered under Career Oriented Programme. These courses are conducted beyond college hours. Details of these courses are available under departments that have taken the responsibility of conducting the programmes. The courses are conducted if a minimum of fifteen students register.

Career Cell

- *The Career cell instituted by the college helps to create awareness amongst students so that they are in a position to make informed choices. The career cell tries to provide students with information regarding current career trends, and choice of subjects. Several experts from industries and career counsellors are invited to facilitate career seminars, aptitude tests, and nuances of giving interviews and group discussions. The career cell has organized several workshops that enable students to draw out career plans, understand their strengths, and focus on right kind of soft skills as well as technical skills. They ensure that all deadlines for admissions to higher studies, posters of admissions to various Universities etc are duly displayed on the College Notice Boards.*
- *Reputed companies like Wipro, Tata Consultancy Services, Infosys, Zydus Cadila, Gandhi Fellowship etc. have registered with the Career Cell for recruitment and career guidance.*

Library

Library and Reading Room

- *Father Valles Memorial Library of St. Xavier's College is the centre of academic and research activities. The College has a well equipped library and a reading room for the benefit of professors and students. It has a wide range of valuable reference books, important journals, educational CDs, periodicals and magazines (Indian and foreign) to provide them with up-to-date information and knowledge.*
- *The Central Library has over 53,471 books and 56 periodicals and journals. The library provides services to its users through an automated mode by using SOUL (Release 3.0) software. The services rendered by the Library cover all departments of the College. The catalogue-search and circulation systems are fully automated at present. Search for any document can be made through Online-Public-Access-Catalogue (OPAC) and the circulation system is barcode-based. The reading room has a capacity to accommodate 80 students. Besides, there are 15 computers in the library, each equipped with internet connected through LAN and INFLIBNET. The computers are specially meant for students engaged in project work and teacher-student discussions beyond class-hour. The library maintains a book-bank for financially-needy students. This is housed on the first floor above the Central Library. Photocopying facility is available in the library. Internet browsing facilities are also available but only educational sites are allowed for surfing. The library provides current-awareness service to the readers through newspapers and clippings, announcement posters, newsletters etc. The membership of the library is open to management, students, teachers and the administrative staff of the College, retired teachers, eminent scholars and research workers engaged in serious reading and research. The facilities of e-books, e-journals and e-databases will be implemented shortly.*
- *The library is open daily from 9.00 am to 5.00 pm. Books can be borrowed / returned during the time indicated on the library notice board. Silence is strictly enforced at all times and mobile phones have to be in switched-off mode or else they are confiscated.*
- *Borrowed books are to be returned within a fortnight of the date of issue or else a late fee of Rs. 2 shall be charged per day for each book retained beyond the prescribed date of return.*
- *All books should be returned to the library two weeks before the semester end examinations. Under no circumstance will books be issued during this period unless a deposit (amount determined by the Principal) is kept with the librarian.*
- *At the beginning of each semester students are required to file the applications to avail themselves of books from the St. Xavier's Students Aid Library, which loans text books to deserving students.*
- *Any student, who takes books from the library without permission or cuts pages out of library books, exposes himself/herself to the gravest of penalties.*
- *Once a student has accepted a book, he/she is responsible to return it in the state in which it was issued. Students, must therefore carefully check each book at the time of issue to see whether it is in a satisfactory condition.*
- *No marks or inscriptions of any kind may be made in any book borrowed from the library. Offenders will be fined in proportion to the damage done.*
- *Books lost must be replaced.*
- *All books may be recalled at the librarian's discretion.*
- *Assistance for individual research: It involves (i) providing facilities for data access; (ii) e-access to books and journals (INFLIBNET); (iii) data processing and analysis facilities (like making SPSS package available); (iv) training in research methodology.*
- *Research projects: Major research projects can be explored from UGC, DST and other funding agencies. There are also opportunities for industry-sponsored research projects. Individual research projects can also be brought under this umbrella. Students can be involved in these projects to give them valuable experience.*
- *Consultancy: Different avenues for consultancy can be explored through this programme. Consultancy jobs can be made available through this initiative and also through individuals. Faculty members can learn the intricacies of the practical implementation of their theoretical knowledge. This will also provide opportunities for faculty enrichment, and faculty will be able to share their experience with students.*

EXTRA CURRICULAR ACTIVITIES

College Activities

- Students of St. Xavier's College are offered many opportunities for their all-round development. They get an opportunity to showcase their talents and skills at the University Youth Festival and during the College Culfest. Below is a list of some of the activities they can choose from:
- For those interested in developing STAGE skills: Public speaking, drama, dance, mono-acting, mimicry, mime
- For the INTELLECTUALS: Quizzes, panel discussions, debates, creative writing, conducting and analysing surveys, documentation, research papers
- For the ARTIST, the POET, the ESSAYIST and the COLLECTOR: Wallpaper, notice boards, and exhibitions.
- For those interested in OUTDOOR ACTIVITIES: Athletics, sports, games, NCC, NSS, Tarumitra
- For those who do not feel self-confident but would like to be trained, there are courses in: Public speaking, dramatics, leadership, study skills, group dynamics, counselling.

General Information

- Every student of this College is expected to develop critical and creative thinking. To achieve this, the College offers short term programmes to students. These are beyond the syllabus. All students are invited to participate in these programmes.
- Students are expected to participate in extra-curricular activities like public speaking, panel discussions, quizzes, various competitions, dumb charades, Just-a-Minute, college choir, etc. which are organised on Saturdays.
- The Culfest, Sportsfest, Garba night, etc. are held annually to offer scope to students to display their talents in different fields.
- The College has a language lab which provides instructional and educational opportunities, both during and outside College hours.
- Students are urged to contribute essays, reports, poems, paintings, etc. to the student notice boards (outside the ladies' lounge), and to the Xavier's Ahmedabad Periodical.
- Students must make it a point to get involved in College activities as organizers, participants or audience.

- Students are not expected to miss out on lectures/practicals because of involvement at whatever level in sports, co-curricular or extra-curricular activities. Please note that there is no exemption given to any student for the same.
- Students are given the opportunities to represent the College at various competitions. As a policy, preference is given to fresh participants. The more experienced students are given the responsibility of organizing College programmes.
- Every student representing the College in the Youth Festival is given internal marks in the following manner: inter-college : 1 mark; inter zone : 2 marks; nationals : 3 marks; and international : 4 marks in each paper.

Campus Ministry

Campus Ministry has had a tremendous positive impact on the students of the College through counselling to deal with a range of problems they face. In addition, the Campus Ministry conducts Personal Growth Oriented Programme (PGOP). PGOP consists of a variety of activities: group discussions, role-plays, poster-making, multi-media shows which focus on interesting topics that create awareness of, and respect for human values and thus enrich the personality of the students. All students are strongly encouraged to attend these programmes regularly as part of the Personal Growth Oriented Programme component of their training at Xavier's. Campus Ministry also takes care of Utkarsh Seva Suhas, Prerna and Jagrat activities.

With its inclusive education policy, a special cell named Utkarsh is established on St. Xavier's campus in order to give opportunities for the differently able students. This additional care help them to perform well in studies. Besides offering various programmes for their personal growth and integration, the presence of these special students enhances the other students and staff in a unique way.

Seva Suhas is a cell dedicated for the Christian students of the college. SAs the name, Seva Suhas, fragrance of service is devoted to serving the college, the fellow students. The group take supportive and leadership role to facilitate prayer services and celebrate various feasts of the college.

Prerna is a cell dedicated to acknowledge the service and recognise the support staff, housekeeping staff, young man who work in the canteen, hostel mess, helpers and peons of men's hostels, security guards and gardeners. Main activities of the group is in strengthening motivation, team work etc. The student volunteers take great interest in animating the programme.

Women's Development Cell

St. Xavier's College has a Collegiate Women's Development Cell (CWDC). CWDC's aims are to conduct multilateral research in the area of women studies to promote exchange of information in various branches of knowledge, to open up new fields in the area of women's studies, and raise community consciousness on the importance of gender issues. The CWDC also organises periodic programmes, counselling, research, seminars, workshops, film shows, exhibitions in the College to address gender issues etc.

Disciplinary Committee

There is a Disciplinary Committee to deal with the various disciplinary cases of the College.

Jagrat

Jagrat is the result of a deliberate choice made by the Management of St. Xavier's College to reach out and help dalit and tribal students. Its main purpose is to bring them into the mainstream of College life, develop self confidence in themselves, equip them with various life skills etc. It also aims at cultivating in the student body certain attitudes of social concerns toward the weaker sections of society through the medium of cultural programmes, discussions, talks, camps, workshops etc. The SC-ST cell of the College works in collaboration with Jagrat.

Tarumitra

Tarumitra is an initiative, which creates awareness and sensitivity towards environmental concerns both among students and citizens at large. Besides planting trees, it also ensures that trees aren't cut down indiscriminately. It also offers help-line services.

National Cadet Corps (NCC)

NCC as an organization is contributing towards development of the youth in the country. The motto of NCC is 'Unity and Discipline'. The NCC recruits students for their Army, Navy and Air wings. Many of our cadets have received high honours in each of these including the Governor's Gold Medal, and representing National Camps or the Republic Day Parade in Delhi or going abroad on the Youth Exchange Programme.

SPORTS

St. Xavier's College uphold the maxim 'a healthy mind in a healthy body' as sports and games being an integral part of Jesuit education. Several facilities are available for students to live the maxim on campus. In appreciation of excellent performance in sports, annual awards are conferred to the players who have performed well in their individual games and represented Gujarat University in the academic year.

Highest Honours given are 'Sports Men of the Year' & 'Sports Women of the Year' to those individual who have excelled in the sports in an academic year.

A healthy mind in a healthy body!

SXCA gives high priority to competitive and recreational sports in keeping with the Jesuit tradition. It is an integral part of education at xavier's. College offers more than 26 sports and games and a variety of facilities and support services for everyone from beginners to elite athletes. Students are encouraged to undergo daily training and actively participate in inter college and inter-stream competitions.

Some of the facilities available for students to develop sportsman spirit are: Basketball, football, volleyball, tennis, paleta, hockey, Cricket pitch, Gym, Athletics facilities, including an four-lane track and all associated field events, table tennis, Boxing, kho-kho, etc.

College also conducts the following popular competitions:

College hosts 'Fr. Donald Dais Football tournament', 'Br. Lobo Cricket Tournament', 'Major Paderia Road Race' & 'Fastest Track Runner' to keep the sportsman spirit alive on campus.

Annual Sportsfest Championship is an interclass sports event not only to promote sports among students but also to give an opportunity to those who could not represent college at the University level.

The following are the coveted sports awards

THE JOSEPH FERNANDES SCHOLARSHIP
THE EUGENE SEVILLE SCHOLARSHIP
THE GOLDEN JUBILEE SPORTS SCHOLARSHIP
THE JOSEPH FERNANDES TROPHY for SPORTSWOMAN
and SPORTSMAN OF THE YEAR

NSS

National Service Scheme (NSS)

The NSS provides students with training in leadership. It offers an excellent opportunity to students to develop their human qualities of concern for the disadvantaged in society, and become sensitive to them and their conditions. NSS helps students to develop appreciation of the other person's point of view and show consideration to other living beings. It puts them in touch with their less fortunate fellow beings: the poor, the sick and the suffering. Periodic visits to villages and neighbourhood slums exposes them to the "Real India" that is often neglected and ignored. Those who join the NSS are required, by University rules, to render 120 hours of service during the year. Apart from the 10-day camps organised through the University, students who join the NSS are expected to render at least one hour of community service per week.

The NSS in St. Xavier's works in urban and rural areas. The urban initiatives include:

- a. Blood donation camps in College.
- b. Campus cleanliness drive.
- c. Awareness campaign on social issues like HIV / AIDS, gender, child abuse, traffic awareness, etc.
- d. Surveys in neighbourhood slums.
- e. Networking with SXSSS and other local NGOs.
- f. Outreach programmes in old age homes.
- g. Adoption of a village in collaboration with SXSSS.

Alumni

Welcome and Greetings!***"Once a Xavierite, always a Xavierite!"***

- *This thought and statement in itself is a sense of belonging that most of us feel as we walk through the corridors of the college. This is where you must have formed lasting bonds with values, knowledge, friends and faculty. We hope your association with the college has been a cherished journey to not just covet a degree, but to become an individual making a difference to all around you.*
- *SXCA is proud of each of you, who have found your niche in this competitive world. It will be an immense pleasure and honour to connect with all of you. SXCA Alumni association welcomes you to continue to be a part of the institution. We wish that you be role models to our current and all future batches of students. Your guidance and story will be invaluable in enhancing their journey through life. Please feel free to showcase your milestones on our college website.*
- *Our goal in the Alumni Office is to enable you to remain connected with the departments in order to promote stronger connections, and help provide opportunities for dialogue, sharing knowledge, voluntary service, social interaction and philanthropy. We will keep you posted of the developments in the college and also seek your suggestions in activities undertaken to shape future generations.*
- *The cultural festival held annually in the second week of December can be a perfect setting for our alumni to visit the campus and we would be happy to host an Alumni Talent Night as well. However, this need not be the only occasion when you can return to the campus.*

How to join the alumni association

Fill in the online form and submit. You will be directed through an email about your registration number.

Alumni Membership Fee : Rs. 500/-

Autonomous

STAFF INDUCTION

Recruitment of Staff

St. Xavier's College, being a religious minority institution, the Selection Committee for a faculty / administrative post consists of:

- *Chairman of the Governing Body of the College or his nominee,*
- *The Principal*
- *A management representative*
- *Head of the Department*
- *A subject expert*
- *The senior-most faculty in the specific department*

After the interview process, the Selection Committee shortlists three successful candidates. No selection will be considered valid unless at least one subject expert is present. The three shortlisted candidates are then asked to give a demonstration lecture with a minimum of 30 students on a specific date and time. After the demonstration lecture each student present for the same makes an assessment of the candidates on a scale of 10 on paper. After tabulating the score given by the students the average score of each candidate is considered by the Selection Committee for their recommendations. The recommendation of the Selection Committee is final, but subject to approval of the Vice-Chancellor and the Government in the case of Government approved posts and The Trust in the case of Management appointees.

Rules Regarding Suspension of Employees

- *When complaints are received against a particular employee, the Principal constitutes a Disciplinary Committee consisting of Academic Heads of the College. The concerned employee is given a chance to explain him/her self to the Disciplinary Committee. After a thorough preliminary enquiry into the complaint, the Disciplinary Committee makes its recommendations to the Principal.*
- *After studying the recommendations of the Disciplinary Committee, if the Management or the Principal is of the opinion that the presence or behaviour of a particular employee is against the interest of the students / institution, s/he may be placed under suspension pending inquiry. Such a suspended employee shall not enter the premises during the period of inquiry without the written permission of the Principal or the Management.*
- *It shall be the duty of such an employee to co-operate fully in the enquiry against her/him and shall have to provide all the necessary information required for that purpose.*

- *During the first six months of the period of suspension, the suspended employee shall be entitled to receive 50% of the basic salary plus allowances taken together, other than personal allowance, if any.*
- *If the enquiry continues beyond six months the suspended employee shall be entitled to receive 75% of the basic salary plus allowances taken together, other than personal allowance, if any.*
- *No suspended employee shall undertake any work either remunerative or otherwise during the period of enquiry.*
- *At the end of the enquiry, if such an employee is declared innocent, s/he will be paid the remaining pay (including allowances) for the period of suspension and will be entitled to all the rights and benefits as per rules to which s/he would have been entitled had s/he not been suspended. If, however, s/he is declared guilty, s/he shall have to undergo the punishment, including the loss of the remaining salary, that may be imposed by the Management.*

Conduct and Discipline

A St. Xavier's College teacher is expected to work conscientiously given the responsibilities and the trust placed in him/her to mould the character of students and to advance knowledge, intellectual freedom and social progress. S/he is expected to realise that s/he can fulfil the role of moral leadership more by example than preaching through a spirit of dedication, moral integrity and purity in thought, words and deeds. Without prejudice to the above mentioned general principles the following code of conduct is laid down for College teachers:

- *Misconduct: The following lapses would constitute improper conduct on the part of a College teacher:*
 - a. Failure to perform academic duties such as preparation of lectures, demonstrations, assessment, guidance, invigilation and all other work connected with examinations.*
 - b. Gross partiality in assessment of students, deliberately over-marking, under-marking or attempts at victimization on any grounds.*
 - c. Inciting students against other students, colleagues or administration. This does not interfere with the right of a teacher to express his/her opinion on principles in seminars or other places where students are present.*

- d. Raising questions of caste, religion, race or sex in his/her relationship with his colleagues and trying to use the above considerations for improvement of his/her prospects.*
- e. Refusal to carry out the decisions by appropriate administrative and academic bodies and/or functionaries of the College. This will not inhibit his/her right to express his/her opinion on their policies or decisions.*
- *Maintenance of integrity and devotion to duty*
 - a. Every teacher shall at all times maintain absolute integrity and devotion to duty.*
 - b. In his/her way of behaviour and outlook every teacher shall set an example to his/her colleagues and students.*
 - c. Every teacher shall at all times conduct himself/herself in accordance with the orders regulating behaviour and conduct which may be in force in the College.*
 - d. No teacher shall discriminate against any pupil on grounds of caste, creed, sect, religion, sex, nationality or languages etc. S/he shall also discourage such tendencies amongst his/her colleagues and students.*
 - e. Every teacher shall devote himself/herself diligently to his/her work and utilise his/her time in the service of the College, and to the cause of education. S/he shall give full cooperation in all academic programmes and other activities conducive to the welfare of the student community.*
- *Unauthorised communication of information*
 - a. No teacher shall, except in accordance with any general or special order of the College authorities or in the performance in good faith of duties assigned to him/her divulge or communicate directly or indirectly any official document or other information whatsoever to any teacher or to any other person to whom s/he is not authorised to divulge or communicate such document or information.*
- *Private trade, employment or tuition*
 - a. No teacher shall, except with prior permission of the Principal or the Management, engage directly or indirectly in any trade or business or undertake any other employment.*
 - b. No teacher shall engage himself/herself in any private tuition for which a fee/ remuneration is charged either within or outside the precincts of the College.*

COMMITTEES

The Governing Structures at St. Xavier's College are at two levels

Organogram

- President-Vice President-Secretary, Members of Board of Trustees
- Governing Council consisting of all the Jesuits
- Principal - IQAC Coordinator
- Principal - CoE
- Principal-Vice Principals- HoDs
- HoDs- faculty and administrative staff of the departments

Governing Body of the Autonomous College

- Academic Council
- Board of Studies
- Examination Committee
- Finance Committee
- Non Statutory Bodies
- Principal-Vice Principals, OS-Administrative Staff, Committee Coordinators-Faculty and Students' Cell for Quality (SCQ).

As per the guidelines for autonomous colleges provided by the UGC, the Governing Body is different from Trust Board / Board of Management / Executive Committee / Management Committee.

Board of Trustees The Ahmedabad St Xavier's College Society Managing Trust

Fr Durai Fernand, S.J. (Ex-officio)	President
Fr Vinayak Jadav, S.J. (Ex-officio)	Vice-President
Dr (Fr) Lancelot D'Cruz, S.J.	Secretary
Fr Ramesh Macwan, S.J.	Treasurer
Fr Roland D'Souza, S.J.	Member

Fr Xavier Amalraj, S.J.	Member
Fr Francis Macwan, S.J.	Member

- The Governing Body has powers to:
 - a. Fix the fees and other charges payable by the students of the College on the recommendations of the Finance Committee;
 - b. Institute scholarships, fellowships, studentships, medals, prizes and certificates on the recommendations of the Academic Council;
 - c. Give the final approval to the proposals approved by the Academic Council;
 - d. Approve institution of new programmes of study leading to degrees and/or diplomas;
 - e. Perform such other functions as may be necessary and deemed fit for the proper development, and

fulfil the objectives for which the College has been declared as autonomous.

The Governing Body may also approve appointment of full time office staff in the examination cell on contractual basis on the recommendation of the Finance Committee.

The Governing Body of St Xavier's College consists of the following members

Fr. Durai Fernand S.J.	Chairman of Governing Body & President of the Trust
Dr (Fr) Lancelot D'Cruz, S.J.	Principal of the College (Ex-officio)
Dr Himanshu Pandya (VC, GU)	State Govt. Nominee
Prof Rajpal Singh	UGC Nominee
To be Nominated	Gujarat University Nominee
Adv Rakesh Gupta	Management Nominee
Dr (Fr) Fernando Franco, S.J.	Management Representative
Dr (Fr) Johnson Mundupuzhakal S.J.	Management Representative
Dr Nirmal Desai	Controller of Examinations
Dr (Fr) Vinayak Jadav S.J.	Management Representative
Dr Mallika Sanyal	Vice Principal IQAC Coordinator

Academic Council

The Academic Council (AC) is the vital authority in all academic matters of the College. It consists of 27 members including all the Heads of Departments, three members nominated by Gujarat University, the Internal Quality Assurance Cell (IQAC) Coordinator, six outside experts, representatives from industry and alumni, four senior faculty members, management representative and the Principal. The AC nominates one expert member to the Board of Studies (BoS) of each department in the College, approves the syllabi recommended by BoS, looks into the recommendations of the Examination Committee, approves the academic calendar proposed by IQAC, formulates regulations regarding students' admission policy, prescribes regulation for sports, extracurricular activities, proposes new courses and degree programmes to be introduced, recommends scholarships, prizes and medals, and such other functions to improve the quality of education in the institution. In brief, it is the Academic Council which shapes the academic character of this institution.

Members of the Academic Council

<i>Dr (Fr) Lancelot D'Cruz, S.J., Principal, St. Xavier's College</i>
<i>Dr V K Jain, Dept. of Chemistry, GU Nominee</i>
<i>Dr Hyacinth Highland, Dept. of Zoology, GU Nominee</i>
<i>Dr (Fr) Vinayak Jadav S.J., Vice Principal Arts, Dept. of Gujarati</i>
<i>Dr Sudhir K Jain, Director, IIT Gandhinagar, External Expert</i>
<i>Dr Ernesto Noronha, Professor, IIMA, Alumnus & External Expert</i>
<i>Dr Malay Mahadevia, Fulltime Director, Adani Infrastructure, Industry Rep.</i>
<i>Mr Pankaj Mudholkar, Director, Aakriti Promotions and Media Ltd., Alumnus</i>
<i>Dr Abhijit Sen, Ex-Director, Plasma Research Institute, Alumnus & External Expert</i>
<i>Mr Janmejy Vyas, MD, Dishman Pharma, Alumnus & Industry Rep.</i>
<i>Ms Aditi Vyas, Managing Director, Azafra group, Alumnus & Industry Rep.</i>
<i>Dr Nirmal Desai, Controller of Examinations, Dept of Chemistry, St Xavier's College</i>
<i>Dr Pinky Desai, HOD, Dept of Economics, St Xavier's College</i>
<i>Dr Saurabh Vaishnav, HOD, Dept of English, St Xavier's College</i>
<i>Dr Puranbhai Makwana, HOD, Dept of Gujarati-Hindi, St Xavier's College</i>
<i>Dr Profina Christian, HOD, Dept of Psychology, St Xavier's College</i>
<i>Dr Ishwar Mehra, HOD, Dept of Sanskrit, St Xavier's College</i>
<i>Dr (Fr) Johnson Mundupuzhakal S.J., Vice Principal, Self Finance Courses</i>
<i>Dr Sudeshna Menon, HOD, Dept of Biochemistry - Biotechnology, St Xavier's College</i>
<i>Dr Atul Makwana, HOD, Dept of Chemistry, St Xavier's College</i>
<i>Dr Rajesh Iyer, HOD, Dept of Physics-Electronics St Xavier's College</i>
<i>Dr Udayan Prajapati, HOD, Dept of Mathematics, St Xavier's College</i>
<i>Dr Nandita Christy, HOD, Dept of Statistics, St Xavier's College</i>
<i>Mr M.C. Patel, Senior Faculty, St Xavier's College</i>
<i>Dr Mallika Sanyal, Member Secretary, IQAC Coordinator</i>
<i>Mr Magesh (TCS)</i>
<i>Dr (Fr) Lancy Lobo S.J., Director, CCD, Vadodra</i>

Board of Studies

The Board of Studies (BoS) of each department consists of its entire faculty, one University nominee, one Academic Council nominee, alumni, industry representative, and outside experts, with the Head of the Department as its Chairperson. The number of members differs from one department to another depending on the size of the department. BoS deliberates on new developments in their field, formulates the course content, teaching – learning methodology, possible ways of assessment and quality assurance, and recommends the same to the Academic Council.

The functions of the Board of Studies (BoS) include

- Preparing syllabi for various courses keeping in mind the objectives of the College, interest of the stakeholders and national requirement, for consideration and approval of the Academic Council;
- Suggesting methodologies for innovative teaching and evaluation techniques;
- Suggesting panel of names to the Academic Council for appointment of examiners;
- Coordinating research, teaching, extension and other academic activities in the department/College;
- Encouraging visits of scholars, scientists, artists, writers to campus for interaction with students;
- Initiating incubation activities, and
- Working in close collaboration with the Research Committee and Finance Committee to promote research in the department.

Gujarat University Nominees to the Various Boards of Studies

Economics	<i>Dr Kartik Bhatt, Head, Dept. of Economics, Guj. Uni.</i>
English	<i>Dr Nutan Kotak, Professor, Dept. of English, Guj. Uni.</i>
Gujarati-Hindi	<i>Dr Jitendra Macwan, Manekbaug Bank Arts and Mahindra Urban Bank College, Mahmedabad</i>
Psychology	<i>Dr. Kamayani Mathur, Director, School of Social Sciences, Guj. Uni.</i>
Sanskrit	<i>To be Nominated</i>
Biochemistry	<i>Dr Meenu Sharaf, Professor, Dept. of Microbiology, Guj. Uni.</i>
Botany	<i>Dr Archana Mankad, Head, Dept. of Botany, Guj. Uni.</i>
Chemistry	<i>Dr H D Patel, Dept. of Chemistry, Guj. Uni.</i>
Mathematics	<i>Dr Ravi Gor, Dept. of Mathematics, Guj. Uni.</i>

Electronics	Dr Utpal Joshi, Asso. Professor, Dept. of Physics, Guj. Uni.
Physics	Dr P. N. Gajjar, Head, Dept. of Physics, Guj. Uni.
Statistics	Dr R.G. Bhatt, Head, Dept. of Statistics, Guj. Uni.
Zoology	Dr Kiran Prajapati, Asso. Professor, Dept. of Zoology, RA Bhavan's College, Ahmedabad
BCA	Prof B.S. Agrawal - Director Rolwala Computer Center - GU
B.Com	Dr Bharati V Pathak - School of Commerce, Guj. Uni.
BDA	Dr Jyoti Pareek, Dept. of Computer Sciences, Guj. Uni.

Members of Board of Studies in Different Departments

Department of Economics

Dr Pinky J Desai (Chairperson)

Mr Vijay N Dhandhukiya	Dr Kartik Bhatt
Dr Avani Trivedi	Mr Anirban
Mr Robin Thomas	Ms Colleen Flory
Mr Atman Shah	

Department of English

Dr Saurabh Vaishnav (Chairperson)

In addition to the above mentioned Statutory Bodies, the following are the two most important committees which are of significance in an autonomous college, namely, the Examination Committee and the Finance Committee

Examination Committee

- The Examination Committee is headed by the Controller of Examinations (CoE), and the Principal of the College is its Chief Controller of Examinations. The Examination Committee looks after the continuous, comprehensive evaluation of students through internal and external examinations. The Examination Committee evolves methods of assessment of students' performance, and ensures the conducting of examinations and notification of results.

Members of the Examination Committee

Dr (Fr) Lancelot D'Cruz, S.J. (Chief Controller of Examinations)

Dr Nirmal Desai (COE)	Dr Udayan Prajapati
Dr (Fr) Johnson M,S.J.	Dr Pinky Desai

Finance Committee

- The Finance Committee looks at the finances of the College, suggests the fee structure if it is a self-financed course, the remuneration to be paid to teachers, suggests financial and infrastructural requirements of introducing new courses and programmes, awarding medals, scholarships, etc., which are proposed by the Academic Council and makes its suggestions to the Governing Body.

Members of the Finance Committee

Dr (Fr) Lancelot D'Cruz, S.J., Principal

Fr Ramesh Macwan, S.J.,
Treasurer, St Xavier's College

Mr Kaniah Thaker, GU Nominee

Prof Victor Saldanha, External Expert

Dr Mohammed Ali Momin,
Senior Faculty, St Xavier's College

Mr M. C. Patel, Senior Faculty, St Xavier's College

Mr Pramesh Shah, External Expert

Internal Quality Assurance Cell (IQAC)

Dr (Fr) Lancelot D'Cruz, S.J., Principal

Dr Mallika Sanyal, IQAC Coordinator

Mr Sudhir Jumani (External Expert)

Mr Surendra Bakshi,
Director, Shrunik Biotech Pvt. Ltd. (External Expert)

Ms Dipali Vijh (External Expert)
