

ST. XAVIER'S COLLEGE (AUTONOMOUS)

Re-accredited with 'A+' (CGPA 3.27 out of 4) by NAAC (4th Cycle) | Affiliated to Gujarat University

September 17, 2026

Dear Students and Parents,

Greetings from Xavier's!

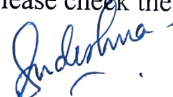

We thank and appreciate you for your interest in becoming part of Xavier Parivar!

We are committed to students' wellbeing and we will ensure that you have a good academic journey at Xavier's.

We would like to share with you the plan for this academic year and take note of the same.

1. St. Xavier's College will process admissions through GCAS Portal for this academic year as an ad hoc arrangement, pending judgement in the ongoing Civil Application in the Hon. High Court on our minority and autonomous rights to administer admissions. Students must register through GCAS portal only.
2. The academic calendar for First-Year students during the current academic year 2026-27 will be slightly different from that of regular students, in order to make it feasible to complete the prescribed coursework and examinations.
 - a. Semester 1 will commence from 3 October 2026.
 - b. Semester 2 is expected to conclude by 20 May 2027.
 - c. If required, to complete the prescribed coursework, regular classes may be conducted during the Diwali vacation and Christmas break. Online classes may also be conducted on holidays or days when offline classes may not be feasible.
 - d. Examinations may be scheduled during the summer vacation, wherever necessary.
 - e. The students need to have minimum 75 percent attendance to be eligible to give the final/end semester examination.
 - f. The shift timing may not be reflected in the GCAS portal and kindly take note of the shifts as in attached Annexure -1.
3. St. Xavier's College offers a Fourth-Year Honours Programme across its courses. However, the offering of a particular subject is subject to the terms and conditions prescribed by the Management for each academic year and will be at the sole discretion and final decision of the Management.
4. The shift timings for the different programmes are Morning (Shift 1): 07:45–13:00, Noon (Shift 2): 11:10–17:45, and Evening (Shift 3): 13:00–19:00, and the timetable for each programme will be scheduled within the respective shift timings.
5. Certain online mentor interface sessions for MDC and VAC may be scheduled outside regular college hours, depending on the convenience and availability of external experts. Students are expected to attend these sessions.
6. The Admission form fee Rs. 450/- paid through Xavier's portal will be refunded in due time.
7. The first merit that was declared on May 30, 2026 on the Xavier's Admission Portal is void.

Please check the GCAS portal and St. Xavier's College website and Admission Portal for updates.
