

How to login to G-Suit email /ERP /Moodle

College has sent all SEM-1 students SMS regarding login credentials for ERP and G-Suit email account. If any student is having difficulty in login to these platforms following instructions will help.

For G-Suit email account

We have sent SMS to all SEM-1 students saying:

Dear student, Your college email address 20*****@SXCA.EDU.IN and password A*****. Please change after first login.

Please follow the instructions given below carefully for logging in to your new Gmail account:

- Through any internet browser open Gmail login window
- Use your login credential as mentioned in SMS you received and access your email
- Change the password immediately

Please remember, this is a very important email id for you. All notifications, announcements and other information from the college will be available only on this email. For live online class on Google meet, this email id will be used. If you have an alternate email, you can link it with this.

For ERP account

We have sent another SMS to all SEM-1 students saying:

Dear ***** , Visit the <http://130.211.247.107/student-xavier.php> using details

Username: *****@SXCA.EDU.IN Password: ***** Preserve it

This is for ERP... Note username for ERP is same but password is different (Remember password is case sensitive)

For Moodle account

Visit www.lms.sxca.in

Username is very similar to that of ERP, only difference is all alphabets must be in lower case.

For example: If your username name for ERP is 20BT001@SXCA.EDU.IN then your username on Moodle 20bt001@sxca.edu.in

Your password for Moodle will be the part before “@” in your username, in the example for username 20bt001@sxca.edu.in password will be 20bt001. Please note alphabets are in lower case.

You can access Gmail, ERP and Moodle platform from [Quick link](#) provided on college website also.

If you still have issues related with login. First ask help from your classmates.

If issue still remains write an email describing the issue in detail, also write your name, Major subject, roll no etc on the following specific email id.

For ERP or if you have not received above mentioned SMSs : Poonal Maam on poonal.jitiya@sxca.edu.in and a copy to your department’s email id

For Moodle: Dhara Maam on dharaaparikh5@gmail.com and a copy to your department’s email id
